She is considered as the personification of all knowledge - arts, sciences, crafts and other skills. She has a beautiful and elegant presence, is pure white in color, clad in a white sari, seated on a white lotus, representing purity and brilliance. She has four hands representing four aspects of human personality in learning; mind, intellect, alertness and ego. She has the sacred scriptures in one hand and a lotus (a symbol of true knowledge) in the second. With her other two hands she plays the music of love and life on the Veena.
