**2024**  
**Product Catalogue**

**Our name says it all: slow down your fast-paced stressful life to a slow pace like snail.**

At Snailax, we understand one of the characteristics of nowadays modern life seems to be that we are moving at an ever-increasing pace and full of stress. That is why we are here to design and to provide our customers with high quality health and personal care products embedded with the most innovative and relaxing features. If life and its rushed pace and many stresses have made it difficult for you to feel like rejoicing, or if you have frequent neck, shoulder, back, or foot aches, then perhaps now is a good time to slow down the pace to rewind and regain balance into your life.

At Snailax, we want to provide a non-invasive solution to help replenish and restore your muscles and aches and pains with one of our many products. The array of health and personal care products we carry are designed to target specific areas of the body ranging from head, neck, shoulder, back, lumbar down to feet, and come with

a range of customized functions (massaging type, heating) to suit your personal needs. Because we're always keeping our customers in mind, Snailax commits to make sure each of our products are available at a price you will appreciate.

Now you can enjoy a relaxing massage at the comfort of your own home! A feel-good massage is no longer a luxury! Now you do not have to sacrifice your wallet for having something you know you'll love. A neck, back, and shoulder massage has never felt so satisfying!

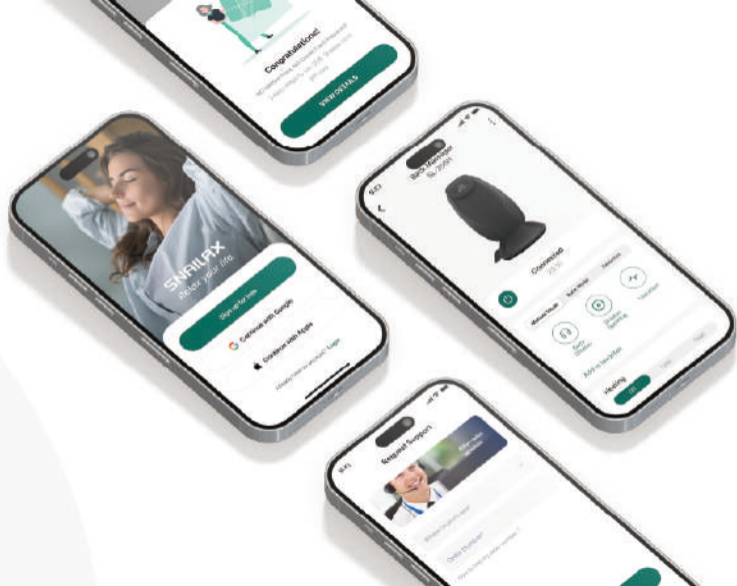

At Snailax, we make every effort to ensure a great experience with our customer service. Please feel free to contact us for any questions and concerns or to let us know how we can better serve you.

**Our Slogan: Relax your life.**

Snailax app is your smart massage device management platform, through Snailax app, you can complete the convenient and fast interaction between your phone and smart massage devices. Through Snailax app, you can also manage and customize your and your family's smart health data and shop for high quality massage devices.

- | Linked control, easy to use Quickly grasp the addition and operation of devices
- | Personalization, according to your preference According to their own habits, set personalized massage mode
- | Quality Mall, the best selection of high-quality technology and cost-effective combination, to give you quality of life

A photograph of an elderly couple smiling and looking at each other in a garden. The man is wearing glasses and a white t-shirt, and the woman has white hair and is wearing a white top with a dark collar. In the background, there is a large, ivy-covered house with a grey roof and several windows. A large, semi-transparent green circle is overlaid on the left side of the image, containing the text "Massage Mat & Pad" in white.
