The Artist 

*Creativity is  
intelligence  
having fun*

– ALBERT EINSTEIN –

*Creative  
minds  
are rarely tidy!*

*Every child is an artist;  
the problem is staying an  
artist once you grow up*

– PABLO PICASSO –

Logic will get you  
from A to B but

*imagination  
will take you everywhere*

– ALBERT EINSTEIN –

You make me  
SEW  
happy 

Friends  
are flowers  
from the  
same garden

1 yard of fabric is like  
1 glass of wine...  
not enough!

**Imagination**  
is more important  
than knowledge

— ALBERT EINSTEIN —

*Craftiness  
is Happiness*

*There is no such  
thing as too much  
= glitter! =*

*Knitters come with  
strings  
attached*

*My craft room  
isn't messy  
I just have  
everything  
on display*

All you need  
is cake!

Gardeners  
know all the  
best dirt!

*Cake decorators are  
whisk takers*

  
*Sparkle  
and Shine  
like the  
Diamond  
you are*
