## 57st. Parsons Table

The 57st. Parsons Table is a contemporary take on a classic, modernist design. Simple and sleek, both light and sturdy, our Parsons Table can be used comfortably as a dining table or desk. Made from solid, American hardwood with a Danish oil and wax finish. Available in cherry, walnut and white oak. Also available in custom dimensions. See below for more information. Made in Chicago.

*shown: solid cherry with natural oil + wax finish*
