Lumishine Liquid Glaze

15 grams 9NW/B

15 grams Lumishine 5 Vol Developer

STEP 1: Pre-lighten client's hair to prep it for fashion color (if necessary).

STEP 2: Mix colors using formulas above.

STEP 3: Apply fashion colors to client's hair.

STEP 4: Perform strand test on hair extensions to match client's hair.

STEP 5: Mix and apply selected colors to hair extensions.

STEP 6: Install hair extensions.

STEP 7: Cut and blend extensions into client's hair.
