# A More Sustainable Choice

**FROM ECO-FRIENDLY PROCESSES TO CERTIFIED WATER-EFFICIENT PRODUCTS, WE'RE DEDICATED TO A GREENER, MORE RESPONSIBLE FUTURE.**

## Doing our part

Aqualla is dedicated to sustainability, offering water-efficient products that are rated and certified by the Unified Water Label Association. Our taps and showers are designed to use less water without compromising functionality.

Sustainability is a core value for us as we drive a transformative journey in 2024 and beyond. Join us in preserving resources for a more sustainable future, one tap at a time.

## Products

Our commitment to sustainability is evident in our products, registered with the Unified Water Label Association and certified as water-efficient. As suppliers of water-delivering products, we prioritise sustainability without compromising your experience.

By choosing Aqualla products, you're making a responsible choice that saves water and energy and contributes to a greener planet while saving you money.

## Processes

Our commitment to sustainability extends to brochure production, where we offset carbon emissions through World Land Trust, helping protect critically threatened tropical forests.

We prioritise eco-conscious practices with digital brochures, QR codes, and eco-friendly packaging, reducing our environmental footprint.

## People

We champion the well-being of our team with regular Health and Well-being initiatives aimed at promoting physical and mental health. Trained, in-house Mental Health ambassadors create a safe and open environment for our employees.

We foster a positive, collaborative workplace culture, actively engaging in local charity and community initiatives to promote sustainability and make a positive impact.

With Aqualla, you receive a 'local' service from start to finish;

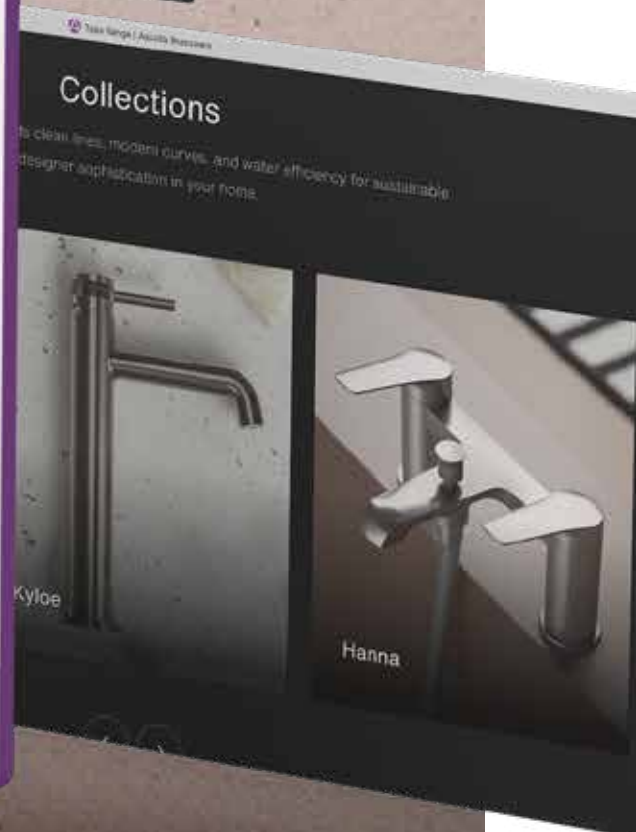

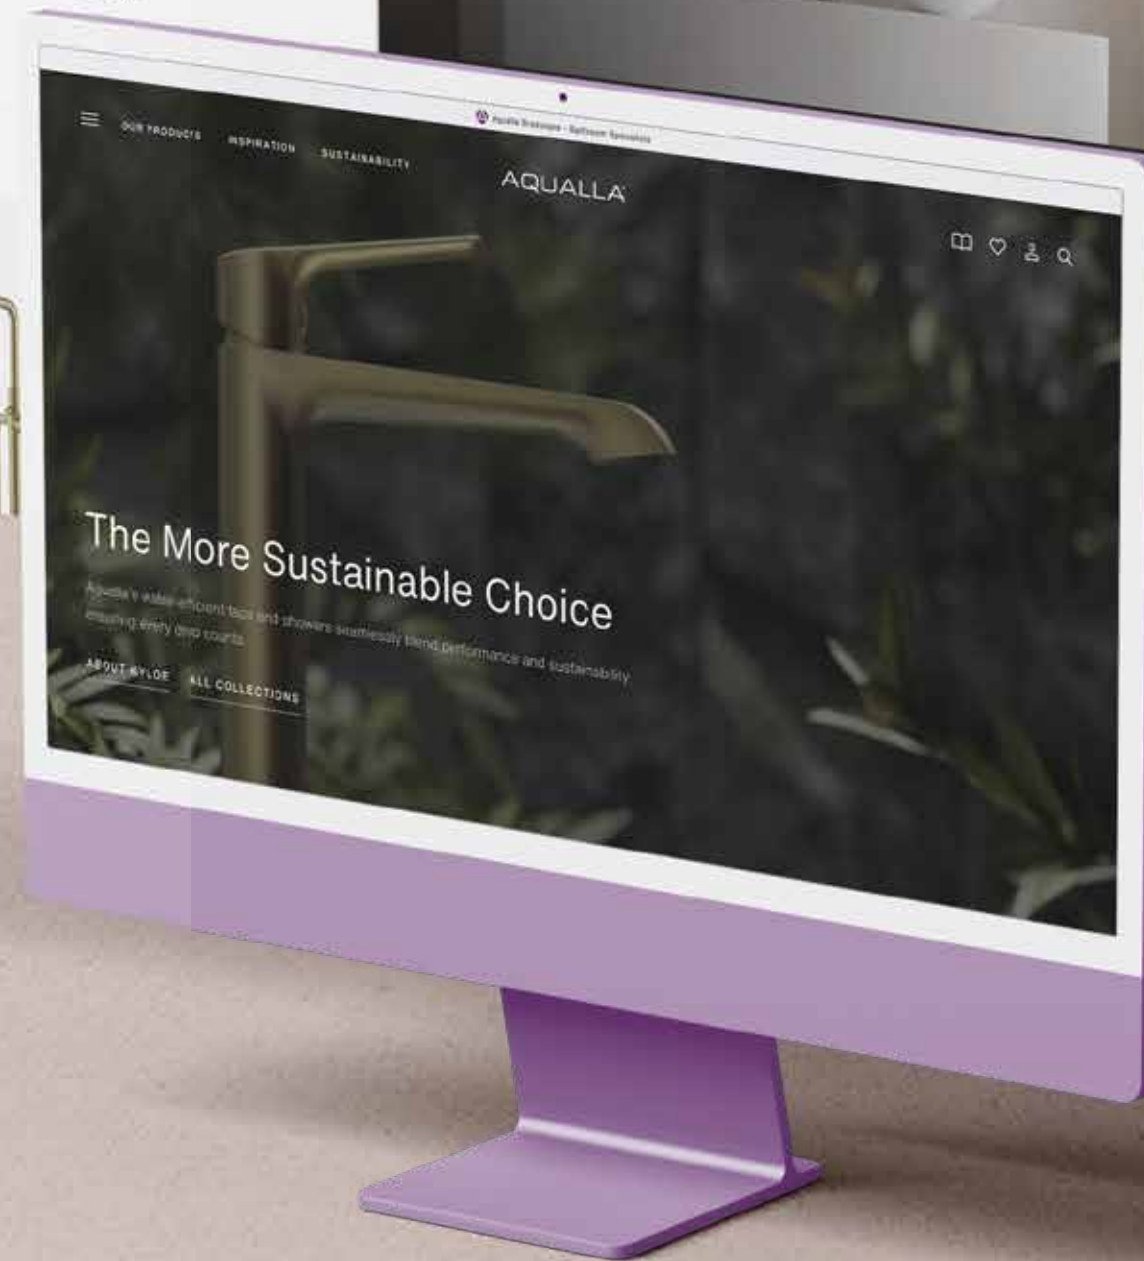

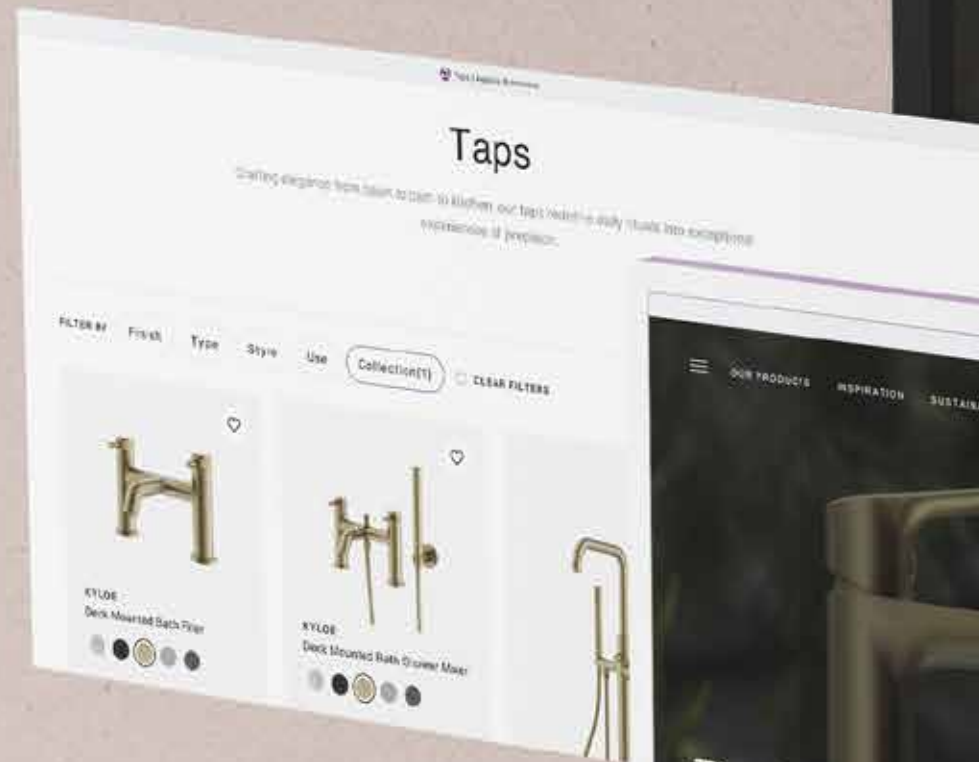

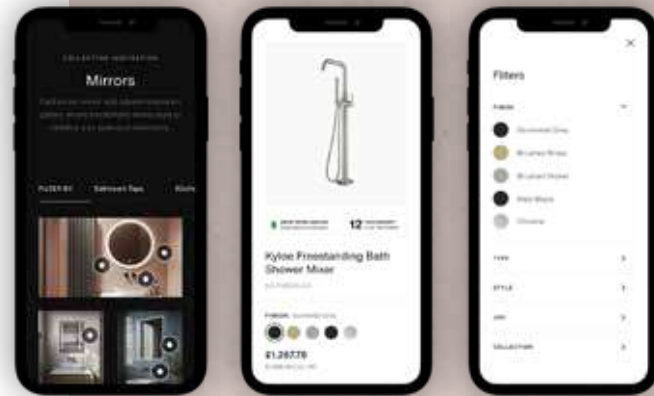

From design, marketing and logistics, to sales, customer service and support.

Customer satisfaction is at the forefront of everything that we do.

# Your New Aquila Website is Live

## Tailor made with you in mind: Explore, Engage, Evolve.

- **Simplified Product Pages:** Find codes, pricing, and comprehensive variant details.
- **Enhanced Search Functionality:** Search by colour, code, or description.
- **Inspirational Image Galleries:** Be inspired with aspirational imagery, leading you directly to featured products.
- **Wishlist Feature:** Easily select, save, and share your favourites.
- **Retailer and Customer Service Hubs:** Connect with us directly for unparalleled support.

But that's not all; there's so much more to explore, including our Lifestyle and Kitchen Collection brochures - Discover The Aqualla Difference Now.

# Introduction

Drawing on many years combined experience in the industry, Aqualla offers a unique range of bathroom components, blending distinctive designs with practicality for both classic and contemporary living.

To demonstrate our commitment to our customers, we offer a 12 year warranty on all of our taps, showers and accessories, and a 5 year warranty on all of our towel warmers, radiators, mirrors, cisterns and flush plates.

This brochure is designed to give you an overview of our product portfolio, and we have included a water drop beside each tap and shower product, indicating the minimum working pressure required.

**For Example:**

- 0.5 0.5 bar is equal to 5 metres
- 1.0 1.0 bar is equal to 10 metres
- 2.0 2.0 bar is equal to 20 metres

A bar being equivalent to the vertical distance measured in metres from the base of the storage tank to the tap or shower head.

PRESSURE KEY	
0.2	Low Pressure
0.3 - 1.0	Medium Pressure
Above 1.0	High Pressure

If you need a bath or basin to complement your **Aqualla Brassware** have a look at our sister company **Adamsez** - More information and brochure available at [www.adamsez.com](http://www.adamsez.com)

# About Aquila

**Headquartered in Newtownards, Aquilla are a dedicated team of bathroom brassware specialists pooling many years of experience to service customers throughout Ireland and the UK.**

By specialising in a niche market, not only are we able to offer our customers the very best in product choice, quality and value; with Aquilla, you receive a 'local' service from start to finish; from design, marketing and logistics, to sales, customer service and support.

That's why customer satisfaction is at the forefront of everything that we do, and why we're so proud of the service we offer.

## On Trend

**Modern, Minimalistic and Elegant with Fluid Lines. Discover our stunningly beautiful tap collection. Crafted to add a designer feel to your bathroom.**

At Aqualla, simplicity is key to all our designs. We offer a luxurious feel to all our range with on-trend finishes, cuts & textures with colours that cater to your taste. Whether you're going for an industrial look with luxurious diamond-cut cross knurling detail, modern with clean lines or traditional. We have a range that will suit your style and elevate your bathroom with "wow factor" aesthetics. Beauty, usability, and craftsmanship.

Kyloe Basin Mono Side Lever in Brushed Brass - Page 38

### Personalised Showering

From drench showers with spa like overhead showering, to dual flow showerheads and concealed valves, our collection of shower mixers is a modern blend of design, quality and style, forming a unique centrepiece in your bathroom.

### Reflecting Perfection

Mirrors are big news, but not only for your bathroom. Hallways and dressing areas can be perfectly styled, as well as practical, with the addition of a mirror. Aqualla's collection of 29 mirror designs includes frames and features to suit every requirement, including Bluetooth connectivity and ambient colour change options.

## Colour Collections

The current trend for subtle personalisation with brassware or more daring, bold colours for the bath is a beautiful way to inject fun and personality into any bathroom project. Aqualla's colourful collections offer luxurious deep tones and muted combinations such as Brushed Brass and Gunmetal Grey finishes.

Giving options that are reflective of your personality.

## High on Heating

Add a touch of luxury to your bathroom, kitchen, living room or hallway, with one of our towel warmers or radiators; from classic traditional to ultra-modern which features our exclusive Aromawell technology.

Our Aromawell feature is a specially crafted well within the radiator, which holds aromatherapy oil and gently releases the scent when the heating is on - An opulent addition to any bathroom.

## Finishing Touches

Add the finishing touch to your bathroom with a wide range of high-quality yet affordable accessories for modern bathrooms. Featuring everything from towel rails to soap dispensers, shower baskets and wall hooks, every one of our accessories has been manufactured using chrome plated brass or brushed stainless steel to ensure durability and practicality for modern living. Available in five colour finishes.

# Brassware Collection

Transform your bathroom into a haven of style and tranquillity with our Brassware Collection.

Featuring freestanding bath shower mixers, bath fillers and wall mounted taps; this collection is a clever blend of sharp lines and modern curves, crafted to add a designer feel to your bathroom.

Our Design Collection features nine exclusive tap ranges combining style and elegance with unique design to add a touch of luxury to your bathroom.

## Hanna

BY AQUALLA

Pages 24-33

Its distinctive spout is designed to fit perfectly into your bathroom, giving it a soft yet modern touch with a slightly elevated handle.

Available in **Brushed Bronze, Brushed Nickel, Gunmetal Grey, Brushed Brass, Matt Black** or **Chrome**

## Kyloe

BY AQUALLA

Pages 34-45

A modern interpretation of the industrial era, Kyloe allows for true personalisation of your bathroom space.

Available in **Gunmetal Grey, Brushed Brass, Brushed Nickel, Matt Black** or **Chrome**

## Avante

BY AQUALLA

Pages 46-55

Designed with linear & angular lines to blend with your interior for a minimalistic, modern look with a strong presence.

Available in **Brushed Brass, Matt Black** or **Chrome**

## Edge

BY AQUALLA

Pages 56-61

Characteristically discreet and elegant. Its unique oval edging with a thin roundish handle adds an edge of beauty to your space.

Available in **Matt Black** or **Chrome**

## Ivy

BY AQUALLA

Pages 62-67

The Ivy has stylish streamlined detailing with minimal headwork that adds a sleek & classic feel to your home.

Available in **Matt Black** or **Chrome**

## Fuse

BY AQUALLA

Pages 68-75

Strong - Clean - Lines. This fuss-free range will instantly give your bathroom a bold look that screams smart.

Available in **Matt Black** or **Chrome**

## Linea

BY AQUALLA

Pages 76-77

Are you looking to create perfect symmetry in your space? The Linea is crafted with the versatility to create balance with its angular shape.

Available in **Chrome**

## Georgia

BY AQUALLA

Pages 78-79

Add a touch of vintage to your bathroom. Imagine pairing it with classic floral wallpaper with contrasting clean white lines.

Available in **Chrome**

Compliant with Unified Water Label - Green Band

# Concealed Frame and Flush Plate Collection

Introducing the Aqualla Concealed Frames and Flush Plate Collection – where simplicity meets sophistication. Elevate your bathroom experience with a seamless blend of functionality and elegance, curated to complement Aqualla's signature brassware finishes.

## The Beauty of Simplicity:

At Aqualla, we believe in the power of simplicity. Our Concealed Frames and Flush Plate Collection is designed to embody this ethos, offering a refined selection that effortlessly enhances your space.

## Two Frame Sizes, One Flush Plate Design:

Simplicity is at the heart of our collection, with two carefully crafted frame sizes and a single flush plate design. This minimalistic approach ensures a harmonious and coordinated look, bringing a sense of unity to your bathroom aesthetics.

## Coordinated Elegance in 7 Colour Finishes:

Choose from a palette of seven colour finishes to match Aqualla's brassware range seamlessly:

- Chrome
- Matt Black
- Brushed Brass
- Brushed Bronze
- Brushed Nickel
- Gunmetal Grey
- Gloss White

## Anti-Fingerprint Technology for Brushed Brass and Brushed Bronze:

Featuring anti-fingerprint technology, Brushed Brass and Brushed Bronze finishes not only exude luxury but also ensure a spotless and pristine appearance.

## Concealed Frame & Dual Flush Cisterns for Wall Hung WC

See Page 3 for more information

# Awaken your Senses

From drench showers to dual flow showerheads and concealed valves, our collection of shower mixers is a modern blend of design, quality and style, forming a unique centrepiece in your bathroom.

Aqualla shower valves have been specially designed to ensure maximum flow.

**Key features of the concealed valve include:**

- 4mm thick brass plate and brass handles
- Single piece body to prevent leakage
- Front access valves and filters for easy cleaning
- 1/2 inch outlets and 3/4 inch inlets to ensure maximum flow
- Flat base allows for a solid fitting, preventing vibration

Our showers are available for upgrade to smooth hose, and for ease of installation, Aqualla exposed showering options come complete with FastFix brackets.

View our range of quality Stone Shower Trays on pages 136-139. Available in 3 finishes and designed to complement any shower space.

# Your Choice Components

At Aqualla, we know that every single one of our customers is unique, and this extends to their choice of shower.

That's why with the Your Choice range, you design your own shower package; exactly how you want it.

Simply follow the steps below:

- Select your valve style
- Choose 1, 2 or 3 outlets depending on how many water functions there are
- Select your shower head and arm
- Select a slide rail kit, or a wall outlet and handset holder kit

Please note that dual flow shower heads need a shower valve with at least 2 outlets. If you choose to add a separate accessory such as a slide rail kit, you'll require a shower valve with 3 outlets.

# Shower Tray Collection

Modern Design – Straight, perfectly defined features, with a resin cover that gives the design of the bathroom a modern touch.

## The stain resistant, anti-slip composition of an AdStone Shower Tray is practical and easy to maintain.

Adamsez AdStone Shower Trays are manufactured combining composite mineral and nanotechnology, in addition to the use of materials that favor the sustainability of the planet. It combines elastic resins with mineral fillers and a layer of the latest generation gel coat that result in products with greater durability and impact resistance, as well as significantly reducing their weight.

### CHARACTERISTICS

#### COMPOSITION

Polyester resin and the latest mineral fillers

#### OUTER LAYER

Highly resistant, durable non-slip Gel Coat

#### TEXTURE

Antislip Class C3

Rectangular resin cover included on AdStone Rectangular Trays

McAlpine wastes supplied as standard with all AdStone Shower Trays.

McAlpine started making plumbing products in 1902 and the company is privately owned and still run by the same family today. Based in the United Kingdom McAlpine is actively involved in the production of quality products which are available from national and independent suppliers.

AdStone Shower Trays come with a lifetime year warranty according to the existing European regulations. The following circumstances shall void the warranty:

- Damage caused by misuse
- Unsuitable storage and handling of the product
- Incorrect use of cleaning products
- Inappropriate installation of the product

# A Touch of Luxury

Aqualla's collection of 29 mirror styles include features to suit every bathroom; such as Bluetooth connectivity and ambient colour change options.

All mirrors are fitted with a heated demister pad to prevent condensation when the mirror is switched on and use 5mm safety backed glass. At Aqualla we understand that each customer's style requirements are different, which is why we offer portrait or landscape fitting options throughout our range.

All mirrors and mirror cabinets are IP44 rated.

# Electric Heating Options

Warm your towels when your heating is off by switching to an electric heat source with our selection of electric heating options.

## Electric Element

- Constant power (CP) heating element
- Compatible with Dual fuel
- Various wattages available to suit all sizes of towel rails
- 2 year warranty
- Element has a 1.2m white cable for hard wiring

Please see table opposite for correct wattage element to suit your towel warmer

## Thermostatic Element

- Digital controls
- 2-hour heat booster
- Single time setting for daily use
- Anti-freeze protection for towel radiator
- Various wattages available to suit all sizes of towel rails
- German technology
- Compatible with dual fuel
- 2-year warranty
- Element has a 1.2m white cable for hard wiring

Please see table opposite for correct wattage element to suit your towel warmer

# Terms & Conditions

## Aqualla Brassware Ltd Terms and Conditions of Business

The under noted terms and conditions of Aqualla Brassware Ltd supersede all previous company terms and conditions unless otherwise agreed in writing by a Director of Aqualla Brassware Ltd.

### DEFINITIONS

The seller is Aqualla Brassware Ltd.

The buyer refers to the Company or persons by, or on behalf of, whom the order is generated.

Goods refer to items described on the Seller's brochure, invoice or delivery note.

### QUOTATIONS

Aqualla Brassware Ltd's quotations are provisional in so far as they are subject to change due to any fluctuation in the price of raw materials or exchange rates.

### DELIVERY

Aqualla will endeavour to deliver its products by an agreed date but will not be liable for any failure to deliver on the agreed date.

Collection by the Buyer or an agent will constitute delivery.

### WARRANTY

Most of our products have an extended warranty option at no extra cost. Extended warranty is subject to completion of the online product registration on <https://aquallabrassware.com/productregistration/> that must take place within 90 days of purchase.

#### Taps and Showers:

Aqualla Brassware Ltd taps and showers all have a 12 year warranty when registered online (2 years parts and labour / Remaining 10 years parts only). Exclusions include: Hoses - 2 year warranty. O rings, Diverter and Cartridges – 5-year warranty.

#### Towel Warmers:

Aqualla Brassware Ltd towel warmers have a 5-year warranty when registered online (2 years parts and labour / Remaining 3 years parts only), and Aqualla Brassware Ltd valves have a 2 year warranty.

#### Accessories:

Aqualla Brassware Ltd accessories have a 12 year warranty when registered online (2 years parts and labour / Remaining 10 years parts only).

**Radiators:** All Aqualla Brassware Ltd radiators have a 5-year warranty when registered online, (2 years parts and labour / Remaining 3 years parts only). Electric heat elements have a 2-year warranty.

#### Mirrors:

Aqualla Brassware Ltd mirrors have a 5-year warranty when registered online, (2 years parts and labour / Remaining 3 years parts only).

#### Cisterns & Flush Plates:

Aqualla Brassware Ltd Cisterns & Flush Plates have a 5-year warranty when registered online, (2 years parts and labour / Remaining 3 years parts only).

Aqualla Brassware Ltd will make a discretionary decision to either replace or repair, at their own expense, defects in goods arising from faulty workmanship provided that the Buyer will have given written notice to the Seller as soon as is reasonably practical. Aqualla Brassware Ltd's liability in respect of any defect will be limited to the repair or replacement of the goods in question and if damage or loss occurs to the goods in transit, the Seller shall repair or replace the specified goods if notification is made in writing within seven days of the goods being dispatched from its premises.

### POLICY OF CONTINUOUS IMPROVEMENT

Aqualla Brassware Ltd will continually strive to achieve the highest level of quality and improvement of products.

Aqualla Brassware Ltd reserves the right to alter or amend any product specification without prior notice to its customers. Colours are as accurate as the printing process will allow.

### PAYMENT AND OWNERSHIP

The goods shall remain the property of Aqualla Brassware Ltd until the Buyer has settled the invoice in full.

Aqualla Brassware Ltd will be entitled to repossess the goods and enter onto any premises where the goods may be located if the Buyer breaches the contract in any way. This includes acts of insolvency, bankruptcy, attempts to make arrangements with any creditors or any petition passed to a Receiver or a Court.

If Aqualla Brassware Ltd is placed in any situation where it has to repossess its products, the Buyer will be liable to pay the difference between the price of the goods and their value on repossession.

Should Aqualla Brassware Ltd be entitled to repossess goods and unable to do so for any reason, the Buyer will pay to the Seller the full purchase price as per their invoice.

Any discount offered to the customer is detailed on the invoice.

### PRODUCT CARE

Aqualla recommend that you do not use any abrasive sponges or scouring agents for cleaning. We also advise that you do not use cleaning agents containing abrasives such as solvent or acid, limescale removers, household vinegar and cleaning agents with acetic acid in them.

Damage to the surface and underlying material resulting from improper treatment is not covered by warranty.

### GENERAL

No corrosive substances are to be placed into Aqualla Aromawell as this could be hazardous to your health.

Proof of purchase will be required for all warranty claims.

**Aqualla reserves the right to amend prices without notice due to errors or omissions.**
