DEQUORUM™ FLIP-UP TABLE BOXES

Hard-Wired & Cord Ended Versions

FLIP-UP YOUR THINKING

deQuorum™ Flip-Up Table Boxes bring ready access to power and communications to work surfaces and counter tops. Areas that often need power, like counter tops or table tops, are also prone to spills from liquids. Recognizing that accidents often happen, deQuorum Flip-Up Table Boxes have been designed and rated specifically to perform in these areas.

- **Sleek, attractive design** – Slimmer, lower profile integrates well with table surfaces to enhance conference rooms, meeting rooms, hotel rooms, kitchens, and offices.
- **UL spill water protection** – Exceeds UL1363 standard for relocatable power taps. Eliminates risk of shock or short circuiting due to moisture entering device.
- **Cord ended or hard-wired with Tamper-resistant receptacles** – Meets 2011 NEC Tamper-Resistant requirements. Receptacles feature our patented shutter system that prevents the insertion of foreign objects for safety.
- **USB charging capability** – Duplex 3.1A USB receptacles provide charging capacity for a wide range of mobile devices.
- **Easy open, easy close** – Opens slowly & quietly, without "snapping open."
- **Multiple finishes** – Durable black powder coat and brushed stainless steel finishes blend with most decors.
- **Expanded configuration options** – Accepts full size receptacles which provides expanded custom flexibility. Consult factory for more information.
- **cULus listed** – Meets UL US and Canadian safety standards for Relocatable Power Taps (File E66421, Guide XBY5) and Multioutlet Assemblies (File E15191, Guide PVGT). Also meets NEC Articles 380 and 406.5(E) for use in counter tops.
