ADAPTER RING 2.0

Updated design brings together the best of both worlds – the classic ring and new line

A FRESH TAKE ON THE INDUSTRY FAVORITE

FLEXIBLE TETHERING
Set the adapters in a ring or line format, designed to tuck easily away in table-top enclosures.

UPGRADED SECURITY CABLE
New tougher cable metal improves durability and deters a determined thief.

SUPPORT SPACE TAG: PROMOTE INTERACTION AND ENGAGEMENT WITH YOUR CUSTOMER
Implement a unique strategy to reach, engage, and inform your audience.

Contact us today for a demonstration.

UPDATED METAL HINGE JOINT
Previous molded plastic hinge and clamp has been updated to a new smaller aluminum clamp with jointed hinge for durability, longevity, and strength. Now includes new threaded screw holes, eliminating the need for nuts.

EASILY CONFIGURABLE
New clamp design means there is no need to completely disassemble the clamp to replace or add adapters.

REQUIRES ONLY ONE TOOL
Saves time by only requiring one tool for assembly and adjustment.

ADAPTER RING 2.0 IS AVAILABLE NOW:

Choose from our most popular connection combinations below...

Digital Adapter Ring (DL-ARD)

- Three most common adapters for use in BYO Device scenarios
- Designed for Android and Windows-based platforms (non-Apple)
- Includes three adapters: DisplayPort, Mini-DisplayPort, USB-C
- New Adapter Ring 2.0 style, with convertible 'ring or line' tether and clamp
- Support Space tag

Digital Adapter Cable Ring (DL-ARDD)

- Same adapters as the DL-ARD, plus each adapter is on 5" cable
- Designed for Android and Windows-based platforms (non-Apple).
- Works best when the preference is to use dongles instead of adapters. Dongles provide more flexibility and strain relief, while being easier to use when connecting to a thin device that lays flat on a table.
- Includes three adapters: DisplayPort, Mini-DisplayPort, USB-C on 5" cables
- New Adapter Ring 2.0 style, with convertible 'ring or line' tether and clamp
- Support Space tag

Digital Adapter Cable Ring plus Apple-Certified Adapters (DL-ARDA)

- Same adapters as the DL-ARDD but with the addition of the Apple Lightning and Apple Thunderbolt 3 connectors.
- Includes Apple Certified Adapters - Lightning and Thunderbolt 3 (USB-C)- plus DisplayPort, Mini-DisplayPort, USB-C on 5" cables
- Designed to provide the most connectivity options for today's mobile devices: Android, Windows-based platforms, and Apple.
- New Adapter Ring 2.0 style, with convertible 'ring or line' tether and clamp
- Support Space tag

...OR BUILD YOUR OWN CUSTOM ADAPTER RING 2.0 CONFIGURATION

Increase revenue – ask about adding the Adapter Ring Configurator to your website.
