

WORTH A LOOK

Take a closer look at products that are shaping our industry.

Morning Glory Multi-Acid Exfoliant by AESTHE Skin Care is a gluten-, color-, and fragrance-free exfoliating system that balances five fruit acids (glycolic, malic, citric, tartaric, and lactic) to remove dead skin cells and impurities while keeping pores clear of buildup and congestion. This product can be used before laser, peels, sunless tanning, and dermabrasion services. Regular use will help improve discoloration and hydration. 800-825-6776 or aestheskincare.com

Bio-Therapeutic's **AQUAFUSE foam peel** is a very exciting skin care innovation. The rich, cosmetically elegant foaming product is formulated with alpha and beta hydroxy acids for exfoliation. It acts as a gentle keratolytic and dissolves excessive sebum and debris in congested areas while providing hydrators to maintain a healthy balance and proper barrier function. Aquafuse is great for professional treatments and homecare regimens. 206-938-5800 or bio-therapeutic.com

ATZEN Superior to Organic® Skin Care's **DNA Repair Serum** has a powerful cocktail of active remedies that restores elasticity and tightens pores for radiant, hydrated, wrinkle-free skin. Its ingredients of natural or organic origin help to repair scars and sun damage. DNA Repair Serum gives results like no other and contains DNA, Argireline® peptides, glycosaminoglycans, and plant growth factors. 800-500-1886 or atzen.com

Necktar by Avery Graham is the most successful and consistent element for rebuilding architectural framework for a tighter, smoother, and more beautiful neck. This formula fortifies, nourishes, and restructures the neck and décolleté with a contouring and cellular repair system to address damage such as crepey, saggy, or hyperpigmented skin while targeting deep wrinkles within the neck crease. Its cumulative strengthening conditions produce firm necks that turn heads. 888-577-6777 or averygraham.com

DefenAge's **2-Minute Reveal Masque** is an irritation-free, two-minute resurfacing mask that instantly softens, refines, and reveals younger- and brighter-looking skin. Formulated with multiple technologies,

it resurfaces enzymatically and mechanically. This mask dissolves surface impurities without irritation and its ultra-fine sugar crystals offer finely tuned mechanical exfoliation. It is environmentally safe, gentle, and effective, and suitable for all skin types, except extremely sensitive, abraded, or acneic skin. 888-368-5372 or defenage.com

face & beard hydrating gel by Cosmewax revitalizes and moisturizes the skin for a softer and more pleasant beard. This gel eliminates impurities from the beard and skin and calms dry skin with glycerin, a moisturizer and softener; vitamin E, which is an antioxidant and regenerating; and peppermint, which has anti-redness and anti-inflammatory properties and is a softener. cosmewax.com

Faces & Other Places by Carefree Naturals is exceptional for post-treatment use after facial and body spa treatments. This product is made with beta glucan, hyaluronic acid, sea buckthorn, papain, and bromelain mixed into an organic aloe base. It provides the same benefits post-peel that it does post-bikini wax or post-needling. 480-247-7773 or carefreenatural.com
