Coffeəbar

COFFEEBAR was born in the granite of the High Sierras in Truckee, California in 2010.

We are a radically inclusive, community-focused café that serves up the fuel that propels you throughout the day. We are skiers, snowboarders, mountain climbers, coffee geeks, surfers, yogis, bikers, latte artists, and all-around adventure-seeking ass kickers who are focused on making positive change in our communities.

We strive to connect the dots from farmer to guest by bringing high quality, sustainably sourced coffee, food, and wine to our guests. We are passionate, selfless hospitalians who believe that we are only as good as the next cup that we make.

TEA MENU

BLACK TEA

EARL GREY - A classic, robust blend of organic black tea and natural oil of bergamot

ENGLISH BREAKFAST - A balanced and full-bodied blend of organic Indian Assam tea

TROPIC THUNDER - Lightning will strike your tastebuds with this refreshing whirlwind of black tea, hibiscus, and fruit flavors (try it iced!)

HOUSE MASALA CHAI - A rich and warming blend of black tea and spices, inspired by the traditional beverage of northern India

COCONUT CHAI - Sweet and spicy with the perfect balance of black tea, dried coconut, and classic chai spices

GREEN & OOLONG

JASMINE PEARLS - A hand-rolled green tea with the delicate aroma of jasmine flowers

DRAGONWELL GREEN - China's most renowned green tea, it carries a sweet aroma with a rich, nut-like flavor profile

MATCHA - A traditional ceremonial-grade Japanese powdered green tea

SENCHA - Classic light and bright Chinese-grown green tea

FORMOSA-STYLE OOLONG - A delicate and floral jade oolong with smooth, light body

MATE

GREEN YERBA MATE - An energizing South American herb high in antioxidants (contains caffeine)

TISANES - HERBAL TEAS

TAHOE SUNSHINE - A sweet and fruity blend of honeybush, rooibos, lemongrass, lavender, and calendula petals (try it iced!)

MOUNTAIN MORNINGS - The perfect blend to relax and refresh: chamomile, rosehips, peppermint, dried cherry, lemongrass, lavender, and stevia

ROOIBOS CHAI - For when you need some spice without the caffeine, a blend of South African rooibos with cinnamon and natural spice oils (try it the traditional way with a dash of milk!)

TURMERIC DECONGEST - A balanced blend of warming spices such as tumeric root, cinnamon bark, and ginger root

PEPPERMINT LEAVES | LAVENDER | GINGER ROOT

TEA LATTES

A Coffeebar specialty! We steep fresh tea concentrates and steam them with your milk of choice and a touch of agave for a creamy, satisfying treat for any time of day.
