Make sure the joist or beams are strong and can support the swing length and weight capacity.  
If unsure of the strength or location of the joists or beams, contact a professional contractor.

## Step 7

Remove the hanger screw from the chain kit for easy installation.

## Step 8

Attach the front hanger screws with a distance of 5 inches beyond the actual swing length (75 inches). then the 35 inch rear hanger screw. Mark the first two points the hanger screw will go. Next, measure the swing length plus 1-2 inches and mark the other two places. The next step, pre-drill pilot holes using Ø6mm drill bit size and attach the screw to the joist or beam.

## Step 9

To hang up the swing  
How to hang the daybed swing

Set the swing down on the ground under the swing hangers. Have someone lift one side of the swing and link the carabiner onto the hanger screws. Next, follow the same step for the other side. Make sure the swing is level.

Adjust the swing to your comfort, making sure it is level. Recommended height is 16.5 inch from the bottom of the seat to the ground.

### NOTICE :

Install not less than 6 feet from any obstruction such as fence, garage, house, over hanging branch laundry lines or electrical wire.

Check the ceiling for any signs of cracking or warping. If you notice any damage, remove your swing and consult a professional contractor or structural architect.

## **MAINTENANCE**

Wood is a living material that continues to respond to climate condition even after being made into a piece of furniture.

After assembly rub the furniture with soft rag to remove any residual dust. Wood is a natural material whose appearance will change when left outdoors. This product has been treated prior to leaving the factory. To clean, use mild soap and warm water. Do not use abrasive material, cleansers or bleach products, Dry thoroughly with soft cloth,

Even though this piece of furniture is extremely durable and long lasting, to prolong life we recommend bringing it indoors during freezing temperatures. Place it at a shaded area and do not leave it in standing water or on wet ground.

Do not put hot items directly on furniture surface.

Do not store furniture in areas that have central heating or cooling vents to prevent excessive drying of the wood. This will decrease the furniture's longevity.

Do not write on furniture without a padded barrier to protect the surface.

In order to maintain the product's durability, please read carefully.

**Do not leave your furniture in puddles of water or on wet ground.**

**Cover your furniture during winter months or move into covered storage, if in wet climates.**

**The manufacturer supports protection of the world's forest resources and is diligent in sourcing legally harvested wood.**
