

This is to certify that

Sandry Fire Supply, LLC

of

Dewitt, IA

is a

C.A.R.E. Authorized Repair Center

and that the following employees have successfully completed an MSA C.A.R.E. course of instruction to become

MSA MMR Certified C.A.R.E. Technicians

Jeremy Burken (05-12) Brett Sandry (03-16)

Jerry Pohl (08-13) Christopher Krupka (01-16)

The Air Mask Authorized Repair Center C.A.R.E. Technicians named above are hereby authorized to perform all test and repair procedures for MSA MMR self-contained breathing apparatus with mask-mounted regulators and MMR dual-purpose breathing apparatus with mask-mounted regulators as specified in the MSA MMR Air Mask Certified Maintenance Manual.

The above-named individuals have successfully completed a C.A.R.E. training program conducted by an authorized instructor, and are hereby authorized to perform repairs on MSA MMR Air Masks only while they are employed by the above-named facility; and only when the tools, test equipment, and replacement parts as currently specified or later modified by MSA are used. This certificate is non-transferrable.

Awarded this 22nd day of March , 2016

This certificate supercedes all prior certificates, and expires March, 2019
