SEATTLE, WA. (July 17, 2018) - Heritage Distilling Company (HDC) announces July 20, 2018 as the official grand opening date for its newest distillery in the Capitol Hill neighborhood in Seattle, Wash. This 2,250-square-foot distillery features a beautifully appointed tasting room, retail space, distillery and bottling operations. The facility also includes HDC's patented *Cask Club*<sup>®</sup> membership program. This will be the sixth federally and state licensed distillery location for HDC. "The Capitol Hill distillery, tasting room and retail space is a long time coming and we're thrilled to open in the most densely populated neighborhood on the West Coast," stated Justin Stiefel, Heritage Distilling Company CEO.

HDC Capitol Hill is home to the largest number of *Cask Club*<sup>®</sup> spots where customers can custom age their own spirits legally under the guidance of Heritage distillers.
