

SPEC SHEET

RLA18B Rescue 18' Ladder Kit with Belay System

Design Specifications

The Basic Rescue Ladder is equipped with a fast drop in 18' foot ladder with a locking ANSI steel carabiner for quick attachment.

The added rope grab system allows the victim to climb efficiently and safely reducing the risk of a secondary fall.

The fast drop in system features a simple but rugged roll top bag with reflective lettering.

This highly visible bag makes this rescue ladder easy to find in emergency situations.
