

Ultra-Viz™ Deluxe Harness

No. 6160

Specially designed for use where high visibility is required, the Ultra-Viz™ harness is 3rd party certified to comply with ANSI/ISEA 107-2010 class 1 type A and CSA Z96 high-visibility standards. Mfg. with a fluorescent green TriLam3™ padded frame the harness webbing has a heat applied 3M reflective strip. This combination creates a comfortable fall protection harness that replaces the use of a high-viz vest. Another SAS exclusive design!
