IMPORTANT THINGS TO REMEMBER BEFORE YOU RETURN

- Shoes scuff very easily on any hard surface. Always try-on shoes on a carpeted surface to avoid damage.
- Most hand-crafted items such as glassware or hand-painted pieces have slight imperfections due to the nature of their unique, one-of-a-kind design. Most imperfection in these items will pass quality control and will **not** qualify for a replacement.
- Knit items can easily snag. Please use caution when trying on delicate items.
