

SB-60100WMT-XL

Tilt/Adjust Wall Mount

BEAST SERIES XL
FOR 60" TO 100" DISPLAYS

STARBURST MOUNTING SYSTEMS - SOLUTIONS FOR YOUR BUSINESS

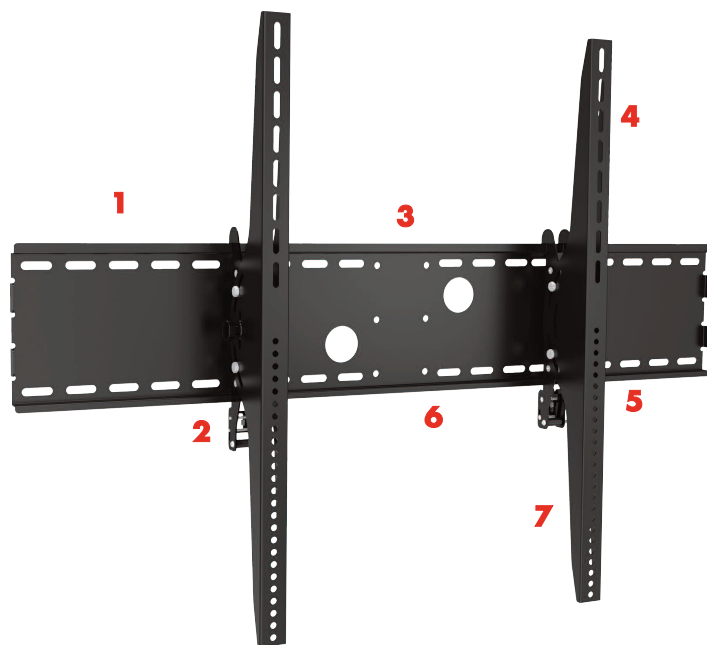

Starburst commercial-grade, flat-panel TV wall mounts are built to last! All units are made from high-quality cold formed steel for the best in safety and reliability. All **BEAST** models adhere to vigorous industry UL certification standards.

As an added bonus, PDI offers LIFETIME TECH SUPPORT for all Starburst Mounting Systems products.

The **BEAST** Series **SB-60100WMT-XL** is a tilting wall mount, designed to make the maximum use of a minimum of space. The BEAST series is made to accommodate larger televisions up to 100" in size. The SB-60100WMT-XL can position the display as close as 5.1" to the wall and tilts a total of 30°. Reliable and affordable, it offers your business many benefits.

KEY FEATURES

- 1 Positions approximately 5" from the wall for a slim profile
- 2 Left-right, side-to-side adjustments to fine tune position after install
- 3 Fits 60" to 100" displays
