

Tilt Wall Mount with Open Wall Plate

SB-3270WMT
FOR 32" TO 70" DISPLAYS

STARBURST TECHNOLOGIES: Empowering Communication Networks since 1986

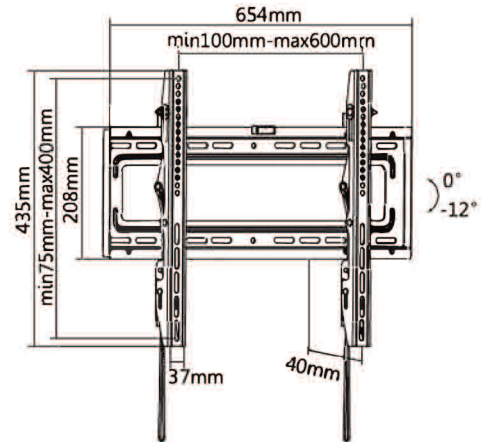

Starburst Technologies (Starburst) TV-DISPLAY Wall Mounts offer an unbeatable combination of quality and cost effective price point. Each mount has been designed to work not only in the home, but also in the more demanding Commercial-Hospitality environment. All Starburst mounts are built to a higher Commercial-Hospitality grade standard.

The **SB-3270WMT** is a tilt wall mount, designed to make the maximum use of a minimum of space. It can position the display as close as 1.6" to the wall which is ideal for low-profile applications.
