Remember to be safe and most importantly, have fun!
What’s in the Box

1. Handlebar
2. Stem Clamp
3. Front Wheel
4. Folding Mechanism
5. Deck
6. Rear Foot Brake
7. Rear Wheel

Specs & Features

• Weight Limit: 165 lb
• Product Weight: 8.4 lb
• Recommended Age: 8+
• Wheel Size: 8"
• Wheel Material: Polyurethane
• Folded Dims: 31.5” x 15.7” x 12.8”
• Unfolded Dims: 36” x 15.7” x 40”
• Deck Dims: 23.6” x 6”
1. Get Started

1.1 Assembly

Quick Note: Place the Nut on the right side when facing the front.

1.2 Unfolding / Folding the Helix

Open the Locking Lever (located on the right side of the Helix).

- Pull Stem up. Once you hear it click, it’s fully unfolded.
- Close the Locking Lever and tighten the Knob.
- Reverse these steps to fold.

1.3 Adjusting the Handlebar

Open the Stem Clamp

- Lift (or lower) Handlebar

When you hear it click, close Stem Clamp to lock. Make sure the Handlebar is secure.
1.4 Using the Brake

Press down to come to a complete stop.

1.5 Changing the Batteries

BATTERY DOOR
1. Open the Battery Door with a screwdriver.
2. Place 3 AA batteries inside.
3. Close the Battery Door with that same screwdriver.
4. You’re all set!

2. Make Moves

2.1 Riding the Helix

• Place one foot in front.
• Place the other foot in back, at a 70°-90° angle.
• Turn the handlebar to the left or right to make turns.
*Adults must assist children in the initial assembly and adjustment procedures to fold/unfold product and adjust handlebar to height.

Please Note: Images may not reflect exact appearance of actual product.
**LED LIGHT FUNCTIONS**
1. Press the Power Button to turn on the LED Lights.
2. You can cycle through 7 different light functions by pressing on the Power Button (the 8th time will turn off the lights).
3. To skip the cycle and turn off the lights hold the Power Button for 3 seconds.

Quick Note: When you’re done riding the Helix, remember to turn off the lights to save battery life!

**Care & Maintenance**

**CLEANING THE HELIX**
To clean the Helix, carefully wipe with a damp cloth, then dry with a dry cloth. Do not use water to clean the Helix, this may damage the frame.

**FEW MUST-DO’S**
- Keep away from fire and excessive heat.
- Avoid intense physical shock, severe vibration, or impact.
- Please ride the Helix on a smooth, flat surface.
- Protect from water or moisture.
- Contact Jetson Customer Support if there are any issues with the Helix.

**STORAGE**
- Store the Helix indoors, in a dry place.
- Cover the Helix to protect against dust.

**MODIFICATIONS**
Do not attempt to disassemble, modify, repair, or replace the product or any components of the unit without instruction from Jetson Customer Support. This will void any warranty, and can lead to malfunctions which may cause injury.

**ADDITIONAL OPERATION CAUTIONS**
Do not lift the product off the ground while it is on and the wheels are in motion. This can result in freely spinning wheels, which may cause injury to yourself or others nearby. Do not jump on or off the product, and do not jump while using it. Always keep your feet firmly planted on the mat sensors while in operation. Always check the battery charge before using.

**DISPOSAL OF USED BATTERY**
Battery may contain hazardous substances which could endanger the environment and human health. This symbol marked on the battery and/or packaging indicates that used battery shall not be treated as municipal waste. Batteries should be disposed of at an appropriate collection point for recycling. By ensuring the used batteries are disposed of correctly, you will help preventing potential negative consequences for the environment and human health. The recycling of materials will help to conserve natural resources. For more information about recycling of used batteries, please contact your local municipality waste disposal service.
Safety Warnings

Before use, please read the user manual and safety warnings carefully, and make sure you understand and accept all the safety instructions. The user will be responsible for any damage or loss caused by the use of this unit.

Before each cycle of operation, the operator shall perform the preoperation checks specified by the manufacturer: That all guards and pads originally supplied by the manufacturer are in place and in serviceable condition; That the braking system is functioning properly; That any and all axle guards, chain guards, or other covers or guards supplied by the manufacturer are in place and in serviceable condition; That tires are in good condition, inflated properly, and have sufficient tread remaining. The area that the product is to be operated should be safe and suitable for safe operation.

Components shall be maintained in accordance with the manufacturer’s specifications and using only the manufacturer’s authorized replacement parts with installation performed by dealers or other skilled persons.

Wear protective glasses and do not forcibly open fuel cells or recharge rechargeable batteries.

Do not allow hands, feet, hair, body parts, clothing, or similar articles to come in contact with moving parts, wheels, or drive train, while the motor is running.

This product should not be used by children or persons with reduced physical, sensory, or mental capabilities, or lack of experience and knowledge, unless they have been given supervision and instruction. The person(s) using this product (IEC 60335-1/A2:2006).

Unsupervised children should not play with the product (IEC 60335-1/A2:2006).

Adult supervision is required.

This equipment complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This device is a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

NOTE: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment.

This product has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

(1) move the equipment away from the receiver;

(2) operate the equipment at a different location;

(3) increase the separation between the equipment and receiver;

(4) connect the equipment into an outlet on a circuit different from that to which the receiver is connected;

(5) consult the dealer or an experienced radio/TV technician for help.

Shielded cables must be used with this unit to ensure compliance with the Class B FCC limits.
