Specs & Features

- Weight Limit: 250 lb
- Product Weight: 16.3 lb
- Recommended Age: 12+
- Tire Size: 6"
- Dimensions: 37" (L) x 17" (W) x 18" (H)

1. Get Started

Note: Assembly should take approximately 15 minutes.

1.1 Attaching the Handles

Slide the Left Handle onto the Seat Frame. Attach the Handle using A(×1). Repeat this step on the right side.

1.2 Attaching the Seat

Place the Seat over the matching holes on the Seat Frame. Attach the Seat using B(×4). Place each bolt in the Seat before fully tightening. Do not over-tighten the bolts.

1.3 Adjusting the Foot Rest

Slide the Foot Rest Tubes to adjust the length. Then, tighten the Knobs. Secure by closing the Clamps.

1.4 Attaching the JetKart® 2.0

First, place C(×4) onto the Adjustable Brackets. Then, loosen the Bolts to adjust the Brackets. Place the Brackets on top of the hoverboard. Adjust the Brackets so they are tight on the hoverboard then tighten the Bolts.

Run the Velcro Straps D(×2) through the Adjustable Brackets. Pull the Velcro Straps tight and fold. Make sure the JetKart® 2.0 is secure on the hoverboard.

2. Make Moves

2.1 Getting on the JetKart® 2.0

1. Place the JetKart® 2.0 on a flat surface with the hoverboard turned off.
2. Carefully take a seat and place your feet on the Foot Rest.
3. Make sure the hoverboard is leveled.
4. Now it’s time to turn on your hoverboard.

Note: Do not turn on the hoverboard before you sit down. If the hoverboard is not leveled when you turn it on, the JetKart® 2.0 will go forward or backward immediately.

*Adults must assist children in the initial adjustment procedures to lengthen/shorten the Foot Rest and attaching the JetKart® 2.0 to the hoverboard.

2.2 Riding the JetKart® 2.0

FORWARD PUSH DOWN

BRAKE / REVERSE PULL UP

TURN RIGHT

TURN LEFT

Note: Tighten all screws and locking nuts before each ride to ensure they are tight.

Please note: Images may not reflect exact appearance of actual product.
Care & Maintenance

CLEANING THE JETKART® 2.0
To clean the JetKart® 2.0, carefully wipe with a damp cloth, then dry with a dry cloth. Do not use water to clean the JetKart® 2.0, this may damage the frame or seat.

 hoverboard is not included.

Safety Warnings

• Before use, please read the user manual and safety warnings carefully, and make sure you understand and accept all the safety instructions. The user will be responsible for any loss or damage caused by improper use.
• Components shall be maintained and replaced in accordance with the manufacturer’s specifications and using only the manufacturer’s authorized replacement parts with registration performed by dealers or other authorized persons.
• Don’t allow hands, feet, body parts, clothing, or similar articles to come in contact with moving parts, wheels, or drive train, while the motor is running.
• This product should not be used by children or persons with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they are supervised or instructed on safe use of the product by a person responsible for their safety.
• Unsupervised children should not play with the product (SC 60205-IA2:2006).
• Adult supervision is required.
• Replace worn or broken parts immediately.
• The rider should not exceed 220 lb.
• Never use near motor vehicles.
• The area that the product is to be operated should be safe and suitable for the intended activity.
• Avoid streets and surfaces with water, sand, gravel, dirt, leaves, and other debris. Wet weather impairs traction, braking, and visibility.
• Avoid riding around flammable gas, fuel, liquid, or dust that could cause fire.
• Do not ride at night.
• Only ride the product with adequate daylight conditions for visibility.
• Do not ride the product if you have had any head, back, or neck ailments, or prior surgeries to those areas.
• Never operate the product barefooted.
• Always wear shoes and keep shoe laces tied.
• The product cannot be ridden by more than one person.
• When you ride the product along with other riders, always keep a safe distance to avoid a collision.
• When turning, be sure to maintain your balance.
• Riding with improperly adjusted brakes is dangerous and can result in serious injury or death.
• Applying brakes too hard or too suddenly can lock up a wheel, which could cause you to lose control and fall. Sudden or excessive application of the brakes may result in injury or death.
• Check and secure all footrests before every ride, or please contact Jetson Customer Support.
• Components shall be maintained and replaced in accordance with the manufacturer’s specifications and using only the manufacturer’s authorized replacement parts with registration performed by dealers or other authorized persons.
• When operating the unit, always keep your feet firmly planted on the footrest while in operation. Always check the battery charge before using.

Remember to be safe and most importantly, have fun!
