Remember to be safe and most importantly, have fun!
What’s in the Box

1. Handlebar
2. Stem Clamp
3. Front Tire
4. Folding Mechanism
5. Deck
6. Rear Foot Brake
7. LED Lights Power Button
8. Power Button
9. Charging Port
10. Rear Tire
11. Charger

Specs & Features

- Motor Type: 150W Hub Motor
- Max Speed: Up to 8 mph
- Max Range: Up to 8 miles
- Battery: 24V, 3.0Ah Lithium-Ion
- Recommended Age: 8+
- Climbing Angle: Up to 10°
- Product Dims Folded: 29.5” (L) × 16.7” (W) × 10.5” (H)
- Product Dims Unfolded: 32.8” (L) × 16.7” (W) × 36.5” (H)
- Deck Size: 23.6” × 4.7”
- Handlebar Height: Up To 36.5”
- Wheel Size: 6”
- Weight Limit: Up to 145 lb
- Product Weight: 16 lb
- Charger: UL 110-240V
- Charge Time: Up to 4 Hours
1. Get Started

1.1 Assembly

- Carefully tuck excess wire in tube. Place handlebar on top of Stem.

- Place the Clamp on the Handlebar and tighten using the Bolt. Make sure the Handlebar is secure.

1.2 Unfolding / Folding

- Press down on the Folding Mechanism

- Pull Stem up

- Once you hear it click, it’s fully unfolded.
- Make sure the Stem is secure.
- Reverse these steps to fold the Scooter.

*Adults must assist children in the initial assembly and adjustment procedures to fold/unfold product and adjust handlebar to height.
1.3 Adjusting the Handlebar
- Open the Stem Clamp
- Lift (or lower) Handlebar

When you hear it click, close Stem Clamp to lock. Make sure the Handlebar is secure.

1.4 Charging the Battery
- Only use the included charger
- Plug the charger into the wall before the Charging Port
- Don’t turn on the Scooter while it’s charging
- Charge the battery until it is fully charged - up to 4 hours
- Replace the cover over the Charging Port when done

1.5 Using the Rear Foot Brake
- Press down to come to a complete stop.

1.6 LED Light Functions
- Press the LED Lights Power Button to cycle through 7 different light functions.
2. Make Moves

2.1 Riding the Scooter

- Place one foot in front.
- Place the other foot in back, at a 70-90° angle.
- Turn the handlebar to the left or right to make turns.
**DISPOSAL OF USED BATTERY**

Battery may contain hazardous substances which could endanger the environment and human health. This symbol marked on the battery and/or packaging indicates that used battery shall not be treated as municipal waste. Batteries should be disposed of at an appropriate collection point for recycling. By ensuring the used batteries are disposed of correctly, you will help preventing potential negative consequences for the environment and human health. The recycling of materials will help to conserve natural resources. For more information about recycling of used batteries, please contact your local municipality waste disposal service.

---

**Riding Range**

The maximum range is 8 miles. However, many factors will affect how far you can go per charge:

- **Driving Surface**: A smooth, flat surface will increase driving distance.
- **Weight**: More weight means less distance.
- **Temperature**: Ride, charge, and store the Scooter above 50°F.
- **Maintenance**: Timely battery charging will increase driving distance.
- **Speed and Driving Style**: Frequent starting and stopping will reduce driving distance.

**Cleaning the Scooter**

To clean the Scooter, carefully wipe with a damp cloth, then dry with a dry cloth. Do not use water to clean the Scooter, as the electrical and electronic systems may get wet, resulting in personal injury or malfunction of the Scooter.

**Battery**

- Keep away from fire and excessive heat.
- Avoid intense physical shock, severe vibration, or impact.
- Protect from water or moisture.
- Do not disassemble the Scooter or its battery.
- If there are any issues with the battery, please contact Jetson Customer Support.

**Storage**

- Fully charge the battery before storing. The battery should be fully charged once a month after this.
- Cover the Scooter to protect against dust.
- Store the Scooter indoors, in a dry place.

**Modifications**

Do not attempt to disassemble, modify, repair, or replace the product or any components of the unit without instruction from Jetson Customer Support. This will void any warranty, and can lead to malfunctions which may cause injury.

**Additional Operation Caution**

Do not lift the product off the ground while it is on and the wheels are in motion. This can result in freely spinning wheels, which may cause injury to yourself or others nearby. Do not jump on or off the product, and do not jump while using it. Always keep your feet firmly planted on the mat sensors while in operation. Always check the battery charge before using.

**Disposal of Used Battery**

Battery may contain hazardous substances which could endanger the environment and human health. This symbol marked on the battery and/or packaging indicates that used battery shall not be treated as municipal waste. Batteries should be disposed of at an appropriate collection point for recycling. By ensuring the used batteries are disposed of correctly, you will help preventing potential negative consequences for the environment and human health. The recycling of materials will help to conserve natural resources. For more information about recycling of used batteries, please contact your local municipality waste disposal service.
Safety Warnings

- Before use, please read the user manual and safety warnings carefully, and make sure you understand and accept all the safety instructions. The user will be responsible for any losses or damage caused by the user's use.
- Before each cycle of operation, the operator shall perform the preoperation checks specified by the manufacturer: That all guards and pads originally supplied by the manufacturer are in proper place and condition; That the braking system is functioning properly; That any and all axle guards, chain guards, or other covers or guards supplied by the manufacturer are in place and in serviceable condition. That tires are in good condition, inflated properly, and have sufficient tread remaining. The area that the product is to be operated should be safe and suitable for safe operation.
- Operators shall be maintained in good repair in accordance with the manufacturer's specifications and using only the manufacturer's authorized replacement parts with installation performed by dealers or other skilled persons.
- Weather conditions can affect the vehicle's performance. Avoid riding during rain or emerging from highly reflective or low-reflective batteries.
- Don't allow hands, feet, hair, body parts, clothing, or similar articles to come in contact with moving parts, wheels, or drive train, while the motor is running.
- This product should not be used by children or persons with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision and instruction (IEC 60335-1/A2:2006).
- Unsupervised children shall not be allowed to play with the product (IEC 60335-1/A2:2006).
- Adult supervision is required.
- The maximum speed of this scooter is 16.56 m/s.
- Units shall not be operated to perform racing, stunt riding, or other maneuvers, which may cause loss of control, or may cause uncontrolled operator/passenger actions or reactions.
- Never operate in reverse.
- Avoid sharp bumps, drainage grates, and sudden surface changes. Scooter may suddenly stop.
- Avoid streets and surfaces with water, sand, gravel, dirt, leaves, and other debris. Wet weather impacts traction, braking, and visibility.
- Avoid riding around flammable gas, steam, liquid, or dust that could cause fire.
- Operators shall adhere to all of the manufacturer's recommendations and instructions, as well as comply with all laws and ordinances: Units without headlights shall be operated only with adequate daytime conditions of visibility, and reflectors shall be used when headlights are not available. With regard to low-riding units, signal flags on flexible poles.
- All operators shall, in the following situations be cautioned not to operate: Those with heart conditions; Pregnant women; Persons with head, back, or neck ailments, or prior surgeries to those areas of the body; and persons with any mental or physical conditions that may cause them to lose control or injure themselves or others while their physical dexterity or mental capabilities to recognize, understand, and perform all of the safety instructions and to be able to assume the hazards inherent in unit use.
- Do not ride at night.
- Do not ride after drinking or taking prescription medication.
- Do not carry items when riding.
- Never operate the product barefooted.
- Always wear shoes and keep shoelaces tied.
- Make sure your feet are always placed securely on the deck.
- Operators always shall use appropriate protective clothing, including but not limited to a helmet, with appropriate certification, and any other equipment recommended by the manufacturer: Always wear protective equipment such as helmet, knee pads, and elbow pads.
- Always give way to pedestrians.
- Be alert to things in front and far away from you.
- Do not allow distractions when riding, such as answering the phone or engaging in any other activities.
- The product cannot be ridden by more than one person.
- When you ride the product along with other riders, always keep a safe distance to avoid a collision.
- When turning, be sure to maintain your balance.
- Riding with improperly adjusted brakes is dangerous and can result in serious injury.
- The brake may become hot while operating, do not touch the brake with your bare skin.
- Applying brakes too hard or too suddenly can lock up a wheel, which could cause you to lose control and fall. Sudden or excessive application of the brake may result in injury or death.
- If the brakes are loose, please adjust with the hexagon wrench, or please contact Jetson Customer Support.
- Replace worn or broken parts immediately.
- Check whether all safety labels are in place and understood before riding.
- The operator shall allow the use and operation of the unit after a demonstration that such operators can understand and operate all components of the unit before use.
- Do not ride without proper training. Do not ride at high speeds, on uneven terrain, or on aisles. Do not perform stunts or turn abruptly.
- Recommended for indoor use.
- Prolonged exposure to UV rays, rain and the elements may damage the enclosure materials, store indoors when not in use.

California Proposition 65

WARNING
This product can expose you to a chemical such as Chromium that is known to the state of California to cause cancer or birth defects or other reproductive harm. For more information go to www.p65warnings.ca.gov/product

NOTICE OF COMPLIANCE

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: this equipment has been designed and built to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: (1) Reorient or relocate the receiving antenna. (2) Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. (3) Consult the dealer or an experienced radio/ TV technician for help. Shielded cables must be used with this unit to ensure compliance with the Class B FCC limits.
