Care & Maintenance

CLEANING THE JETKART®
To clean the JetKart®, carefully wipe with a damp cloth, then dry with a dry cloth. Do not use water to clean the JetKart®, this may damage the frame or seat.

STORAGE
• Store the JetKart® indoors, in a dry place.
• To protect against dust, cover the JetKart®.

FEW MUST-DO’S
• Keep away from fire and excessive heat.
• Avoid intense physical shock, severe vibration, or impact.
• Please ride the JetKart® on a smooth, flat surface.
• Protect from water or moisture.
• Contact Jetson Customer Support if there are any issues with the JetKart®.
Check the battery charge before using.
Always keep your feet firmly planted on the foot rest while in operation. Always others nearby. Do not jump on or off the product, and do not jump while using it. This can result in freely spinning wheels, which may cause injury to yourself or others. Do not lift the product off the ground while it is on and the wheels are in motion. This will void any warranty, and can lead to malfunctions which may cause injury.
