**Warning:** The MotoKicks will automatically turn off once the battery power goes below 10% as a safety precaution.

### How to Recalibrate

- Hold for 5 seconds

Follow these 3 simple steps:

1. Turn the MotoKicks off and place them on a flat, level surface.  
2. Hold each Power Button (for about 5 seconds) until the lights flash and the MotoKicks beep.  
3. Restart the MotoKicks by turning them off and then on.

### Get Started

**Battery Care Tips**

- Only use the included charger.  
- Plug the charger into the wall before the Charging Port.  
- Don’t turn on the MotoKicks while it’s charging.  
- Charge the battery until it is fully charged before using - up to 3 hours.  
- Replace the cover over the Charging Port when done.

- Charging  
- Charge Complete

### Make Moves

#### Getting on the MotoKicks

1. **Power On**

   Place on level ground, then turn on each MotoKicks.

2. **Balance Mode**

   Gently tilt each MotoKicks and they will self-stabilize.

3. **Get Going!**

   Step on one at a time and get ready to ride!

### Riding the MotoKicks

- Step onto the MotoKicks from either side.  
- Apply gentle pressure in the direction you would like to go.  
- Lean slightly forward to move forward.  
- Lean slightly backward to move in reverse or brake.  
- The MotoKicks will automatically slow down if you lean too far forward.  
- Keep your balance as you lean left or right to turn.  
- To step off the MotoKicks, first come to a complete stop, then step back one foot at a time.  
- Do not lift off the ground once powered on.  
- Do not touch the wheel with any part of your body.

**Note:** Remember to turn off the MotoKicks to save battery life.
Care & Maintenance

1. Remove the 2 screws on the side of each MotoKick. (Do not remove the screws on the side with the Battery Indicator Lights).
2. Remove the side plates.
3. Slide the attachment into the side of each MotoKick.
4. Tighten using the screws here are packaged with the attachment.

Make sure the attachment is tight and secure before riding.

Note: Do not carry the MotoKicks by the Connector Attachment. This accessory is not covered by the warranty.

Safety Warnings

- Do not allow heads, feet, body parts, clothing, or similar articles to come in contact with moving parts, wheels, or drive wheel while the motor is running.
- This product should not be used by children or persons with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction by a person responsible for their safety.
- Before use, please read the user manual and safety warnings carefully, and make sure you understand and accept all the safety instructions. The user will be responsible for any loss or damage caused by improper use.
- Before use, check to confirm that all you and all safe guards, chain guards, or other covers or guards are in place and in cleanable condition. Check that the tires are in good condition, inflated properly and have sufficient tread remaining. Check that all guards and pads are in proper place and in serviceable condition.
- Components shall be maintained and repaired in accordance with the manufacturer’s specifications and using only the manufacturer’s authorized replacement parts with installation performed by dealers or other skilled persons.
- The rider should not exceed 220 lbs.
- Adult supervision is required.
- Never use near motor vehicles.
- Avoid streets and surfaces with water, sand, gravel, dirt, leaves, and other debris.
- Avoid riding around flammable gas, steam, liquid, or dust that could cause fire.
- Do not ride at night.
- Only ride the MotoKicks with adequate daylight conditions for visibility.
- Do not ride after drinking or taking prescription medication.
- Do not ride the MotoKicks if you have any head, back, or neck ailments, or prior surgeries to those areas.
- Do not carry items when riding.
- Never operate the product barefoot.
- Always wear shoes and keep shoelaces tied.
- Make sure your feet are always placed securely on the deck.
- Always wear protective equipment such as helmet, knee pads, and elbow pads.
- Always give way to pedestrians.
- Keep in mind laws and regulations.
- Operators shall adhere to all of the manufacturer’s recommendations and instructions, as well as comply with all laws and ordinances.
- Be alert to things in front and far away from you.
- Do not allow distractions when riding, such as answering the phone or engaging in any other activities.
- The MotoKicks cannot be ridden by more than one person.
- When you ride the MotoKicks along with other riders, always keep a safe distance to avoid a collision.
- When turning, be sure to maintain your balance.
- Riding with improperly inflated tires is dangerous and can result in serious injury or death.
- Applying brakes too hard or too suddenly can lock up a wheel, which could cause you to lose control and fall. Sudden or excessive application of the brake may result in injury or death.
- Do not ride without proper training. Do not ride at high speeds, on uneven terrain, or on stairs. Do not perform stunts or turn abruptly.
- The area that the MotoKicks is to be operated should be safe and suitable for safe operation.
- Check whether all safety labels are in place and understand before riding.
- The owner shall allow the use and operation of the unit after a demonstration that such operators can understand and operate all components of the unit before use.
- We encourage you to highlight the MotoKicks, for visibility, by using lighting, reflectors, and signal flags on flexible poles.
- Recommended for indoor use.
- Use caution when charging. Do not operate charger near flammable materials.
- Unplug charger and disconnect from scooter when not in use.

California Proposition 65

This product may contain a chemical such as Cadmium that is known to the state of California to cause cancer or birth defects or other reproductive harm. For more information go to www.p65warnings.ca.gov/product.

MODIFICATIONS

Do not attempt to disassemble, modify, repair, or replace the MotoKicks or any components of the unit without instruction from Jetson Customer Support. This will void any warranty, and can lead to malfunctions which may cause injury.

ADDITIONAL OPERATION CAUTIONS

Do not lift the MotoKicks off the ground while it is on and the wheels are in motion. This can result in freely spinning wheels, which may cause injury to yourself or others nearby. Do not jump on or off the MotoKicks, and do not jump while using it. Always keep your feet firmly planted on the most stable area while operation. Always check the battery charge before using.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
