1. Get Started

1.1 Charging the Battery

- Only use the included charger
- Plug the charger into the wall before the Charging Port
- Don’t turn on the Rave while it’s charging
- Charge the battery until it is fully charged - up to 3 hours
- Replace the cover over the Charging Port when done

- Charging
- Charge Complete

1.2 Indicator Lights

Status Light: This light turns red or if you are having issues with the Rave, you may need to recalibrate it.
Balance Light: Active Balance Technology is on, which levels the Rave as you ride.
Power Light: The Rave is powered on.

Follow these 3 simple steps...
1. Place the Rave on a flat, level surface.
2. Hold the Power Button (for about 5 seconds) until you are notified of a successful recalibration.
3. Restart the Rave by turning it off and then on.

1.3 How to Recalibrate

Hold for 5 seconds

2. Make Moves

2.1 Riding the Rave

Remember to be safe and most importantly, have fun!

Specs & Features

- Weight Limit: 220 lb
- Product Weight: 22 lb
- Recommended Age: 12+
- Tire Size: 6.5"
- Product Dimensions: L23.5" x W8" x H6.95"
- Max Speed: Up To 12 mph
- Max Range: Up To 10 Miles
- Battery: 24V, 4.0Ah Lithium-Ion
- Motor: 400W, Dual Hub Motor
- Charger: UL LISTED, 110-240V
- Charge Time: Up To 3 Hours
- Climbing Angle: Up To 15°
Connecting to Bluetooth®

The Rave comes equipped with two Bluetooth® modules - one for the Bluetooth® speaker and one for the Ride Jetson app.

To connect to your Bluetooth® speaker:
- Turn on the Rave, and it will become discoverable to your handheld device.
- Activate your Bluetooth® in your handheld device’s settings.
- Find the Rave in your handheld device’s list and select it.
- You should now be connected to the Rave!

To connect to the Ride Jetson app:
- Open the Ride Jetson app on your handheld device.
- Tap the Bluetooth® symbol in the top left corner of the app.
- Select your Rave. Default password is 000000.
- (To customize your password go to Settings in the App. If you forget your new password, you can factory reset the Rave by recalibrating).

Care & Maintenance

RIDING RANGE

The maximum range is 10 miles. However, many factors will affect how far you can go per charge:
- The maximum range is 10 miles. However, many factors will affect how far you can go per charge:
  - Driving Style: Frequent starting and stopping will reduce driving distance.
  - Maintenance: Timely battery charging will increase driving distance.
  - Driving Surface: A smooth, flat surface will increase driving distance.
- NOTE: Other features that can be adjusted include Sensing Sensitivity, Driving Force, and Auto Shutdown Time.

MODE SETTINGS

In the Ride Jetson app you can choose from three settings:
- Beginner Mode Max Speed: Up to 8 mph
- Intermediate Mode Max Speed: Up to 10 mph
- Advanced Mode Max Speed: Up to 12 mph

CLEANING THE RAVE

To clean the Rave, carefully wipe with a damp cloth, then dry with a dry cloth. Do not use water to clean the Rave, as the electrical and electronic systems may get wet, resulting in personal injury or malfunction of the Rave. If the electric parts or battery get wet, do not power on the Rave. Please contact Jetson Customer Support.

BATTERY

- Keep away from fire and excessive heat.
- Avoid intense physical shock, severe vibration, or impact.
- Never operate the product without a battery.
- Make sure your feet are always placed securely on the deck.
- Always wear protective equipment such as helmet, knee pads, and elbow pads.
- Always give way to pedestrians.
- Always comply with local traffic laws and regulations.
- Operators shall adhere to all of the manufacturer’s recommendations and instructions, as well as comply with all laws and ordinances.
- Be alert to things in front and far away from you.
- Do not allow distractions when riding, such as answering the phone or engaging in any other activities.
- The product cannot be ridden by more than one person.
- When you ride the product along with other riders, always keep a safe distance to avoid a collision.
- When turning, be sure to maintain your balance.
- Riding with improperly adjusted brakes is dangerous and can result in serious injury or death.
- Applying brakes too hard or too suddenly can lock up a wheel, which could cause you to lose control and fall. Sudden or excessive application of the brake may result in injury or death.
- Avoid streets and surfaces with water, sand, gravel, dirt, leaves, and other debris.
- Avoid riding around flammable gas, steam, liquid, or dust that could cause fire.
- Do not ride after drinking or taking prescription medication.
- Do not ride the product if you have had any head, back, or neck ailments, or prior surgeries to those areas.
- Do not open or close the battery covers.

SAFETY WARNINGS

- Before use, please read the user manual and safety warnings carefully, and make sure you understand and accept all the safety instructions. The user will be responsible for any loss or damage caused by improper use.
- Before use, check to confirm that all and all safety guards, chain guards, or other covers or guards are in place and in serviceable condition. Check that the tires are in good condition, inflated properly and have sufficient tread remaining. Check that all guards and pads are in proper place and in serviceable condition.
- Components shall be maintained and replaced in accordance with the manufacturer’s specifications and using only the manufacturer’s authorized replacement parts with designation performed by dealers or other skilled persons.
- The Rave is a propelling device. It is the responsibility of the user and those in close proximity to ensure users do not come in contact with moving parts, wheels, doors, or tires, while the motor is running.
- You should not exceed 22 lbs.
- Never use near motor vehicles.
- Avoid snowboards and surfaces with water, sand, gravel, dirt, leaves, and other debris.
- Wet weather impairs traction, braking, and visibility.
- Avoid riding around flammable gas, steam, liquid, or dust that could cause fire.
- Do not ride at night.
- Only ride the product with adequate daylight conditions for visibility.
- Do not ride after drinking or taking prescription medication.
- Do not ride the product if you have had any head, back, or neck ailments, or prior surgeries to those areas.
- Do not carry items when riding.
- Never operate the product without a battery.
- The rider should not exceed 22 lbs.
- Always give way to pedestrians.
- Always comply with local traffic laws and regulations.
- Operators shall adhere to all of the manufacturer’s recommendations and instructions, as well as comply with all laws and ordinances.
- Be alert to things in front and far away from you.
- Do not allow distractions when riding, such as answering the phone or engaging in any other activities.
