- Place one foot in front.
- Place the other foot in back, at a 70°-90° angle.
- Turn the handlebar to the left or right to make turns.

**Remember to be safe and most importantly, have fun!**

*Adults must assist children in the initial adjustment procedures to fold/unfold product and adjust handlebar to height.*
LED Lights

- Turn off the lights to save battery life!

Quick Note: When you’re done riding the Saturn, remember to turn off the lights to save battery life!

Care & Maintenance

CLEANING THE SATURN
- To clean the Saturn, carefully wipe with a damp cloth, then dry with a dry cloth. Do not use water to clean the Saturn, this may damage the frame.
- Store the Saturn indoors, in a dry place.
- Cover the Saturn to protect against dust.

FEW MUST-DOS:
- Keep the Saturn away from fire and excessive heat.
- Avoid intense physical shock, severe vibration, or impact.
- Please ride the Saturn on a smooth, flat surface.
- Protect from water or moisture.
- Contact Jetson Customer Support if there are any issues with the Saturn.

MODIFICATIONS
- Modifications are not assembly, modify, repair, or replace the product or any components of the unit without instruction from Jetson Customer Support. This will void any warranty, and can lead to malfunctions which may cause injury.

ADDITIONAL OPERATION CAUTIONS
- Do not lift the product off the ground while it is on and the wheels are in motion. This can result in freely spinning wheels, which may cause loss of control, or may cause uncontrolled operator/passenger actions or reactions.
- Never ride near motor vehicle traffic.
- Avoid sharp bumps, drainage grates, and sudden surface changes. Scooter may suddenly stop.
- Avoid surfaces with wet sand, gravel, dirt, leaves, and other debris. See weather impacts traction, braking, and visibility.
- Avoid riding around flammable gas, steam, NOx or dust that could cause fire.
- Do not perform stunts or turn abruptly.
- The battery may contain hazardous substances which could endanger the environment and human health. This symbol marked on the battery and packaging indicates that used battery shall not be treated as municipal waste. Batteries should be disposed of at an appropriate collection point for recycling. By ensuring the used batteries are disposed of correctly, you will help preventing potential negative consequences for the environment and human health. The recycling of materials will help to conserve natural resources.
