

It starts with our flagship product,
LIFE LINE 3 IN 1™:
 a 2-oz multi-functional beverage that
 promotes stress relief, energy and focus.
No caffeine, No jitters. No crash.
 Just a gentle, natural boost that gives you the calm, energy
 and focus you need to make the most of your day.

Dear Store Manager,

I am a regular shopper and would like to request that you carry Life Line 3 IN 1. I, like many others, deal with stress on a daily basis and it wreaks havoc on my energy levels. Life Line 3 IN 1 is a safe and convenient way for me to manage my stress. I like replenishing my energy without the fear of jitters, crashes or slumps due to harsh stimulants or caffeine that other shots tend to have. You might also want to know that Life Line 3 IN 1 has no artificial colors, sweeteners or flavors and only 1g of sugar.

Life Line 3 IN 1 can be ordered directly from the company or from a number of national distributors. You can contact the sales team at 859-240-7207 or sales@tribalancehealthsolutions.com.

I look forward to my stress free life!

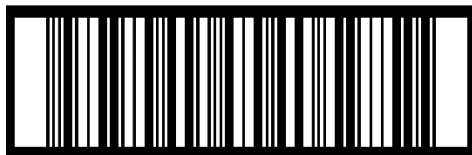

Sincerely,
