

SIZE CHART

A measuring guide for JEWELS JAPAN Rings

★ Measure your finger (Option 2)

1. After printing out this page on an A4 sheet of paper, cut out the image below.
2. Wrap it tight to your finger in order to measure it.
3. Check your finger size and find your size in the above chart.

★ Measure an existing ring

After printing out this page on an A4 sheet of paper, place one of your rings in order to see your US size.

If your ring size is between two sizes, we recommend you order the larger size.
