

## WESTport CELEBRATES 24 YEARS IN QUALITY ASSURANCE WITH NEW WEBSITE TO SIMPLIFY GAGE ORDERING AND QA TESTING WORLDWIDE

### Enhances 'GET' Calibration Management Program with 24/7 Access to Data

**West Islip, NY October 2, 2013** – WESTport Corp, the nation's leading accredited manufacturer of quality assurance products, is commemorating 24 years in service to its customers with the launch of new website. Based on 2.5 years of valuable input from its loyal customers, WESTport Corporation re-engineered its global website for streamlined ordering and browsing in 60 languages with shipping to over 200 countries.

"After more than two decades in business, we've learned that listening to and learning from our customers is what has made us the leader in our industry," said WESTport Corporation CEO and founder Robert Forbes. "Our customer surveys have told us to go global, enhance our ISO 17025 calibration services and to keep up our exceptional service. Our vow is to never stop innovating, growing and serving our community."

WESTport also announced today the enhancement of its FREE Gage, Equipment and Tool (GET) program. The GET gage calibration management program allows customers to track and manage their calibration needs online. WESTport customers now have 24/7 access to search, view, and print or export GET 17025 certifications, calibration due dates and critical data. Responding to customer demand, the expanded GET calibration and repair services also include:

- Fast track order turnaround time (1-3 days)
- Level 4 certification directly traceable to NIST
- Free cleaning of all gages
- Free calibration management program
- Free online history of all gage certifications
- Free gage certification renewal notification

Prized for its "Made in USA" precision gage products, ranging from thread plug and thread ring gages, plain plug and plain ring gages, API gauges, spline gauges, WESTportcorp.com also provides hardness testing blocks available with ISO 17025 certification.

Customers can now enjoy [WESTportcorp.com](http://WESTportcorp.com) clean user-friendly design to make the browsing and buying experience even easier with:

- Low price guarantee
- Website access in 60+ languages with shipping to over 200 countries
- Enhanced technical resource center
- Connections via social media. Follow WESTport on [LinkedIn](#), [Facebook](#), [Twitter](#) and [Google+](#) "Like" and follow any of these sites and get 5% off your 1st order with the code **NEWWEB5 from now until 12/31/13**.

It's never been easier to shop at WESTport Corporation, your Quality Assurance Specialists.
