## TERMINATING OLD ENGLISH CEILING PANELS AGAINST WALLS USING BLOCK & CROWN

For use with: #50052 | #A50052 | #B50052

This sketch illustrates a solution for terminating our #50052, #A50052, and #B50052 ceiling panels up against the walls of a room using the block & crown method. Of course, this works only in rooms that don't have crown moldings already in them.
