### FAIR TRADE CERTIFIED

Fair Trade means the producers have been paid a price that ensures sustainable production and living conditions, along with a premium to support the growth and of the cooperatives and their communities.

Advancement Fair Trade Certified™ products come from cooperatives, independent small farmers, and farm workers in 70 developing countries across Africa, Asia, Oceania, Latin America and the Caribbean. Nearly 12,000 products bearing the black and green Fair

Trade Certified label are sourced from these farming communities, and can be found in more than 100,000 retail locations across North America. http://fairtradeusa.org/

## Tea Grows Globally But The Majority Is Grown By Small Farmers In China And Estate Workers In India

China and India alone are responsible for over 60% of global tea production

- Kenya is the largest tea exporter, followed by China, Sri Lanka, and India these 4 countries represent 72% of global exports
- An estimated 13 million people work in tea worldwide, 9 million of which are smallholder farmers
- Fair Trade Certified tea can currently be sourced from 10 countries across Africa (Kenya, Malawi, Uganda, Rwanda, Tanzania) and Asia (China, India, Sri Lanka, Vietnam, Thailand)

# Fair Trade STANDARDS

drive social, environmental, and economic responsibility in production

## Fair Trade PREMIUMS

facilitates farmer and worker investment in better todays and brighter tomorrows

## Fair Trade STRUCTURE

empowers farmers and workers to work together towards progress
