

PREMIUM QUALITY

Roof Top Tents

*Adventure
anywhere,
anytime*

Features

WINDOW AWNING OPTIONS

Roll up side wings for those scorchers, or roll them down for more shelter.

Side wing up

Side wing down

NO WATER POOLING

Keep pools of rain water off the tent with our anti-pooling curved roof design.

ANTI-FLAP SYSTEM

ROBUST INTERNAL STRUCTURAL POLES (25mm)

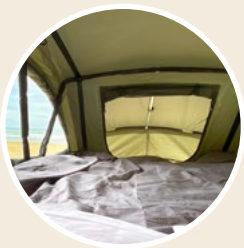

Thicker than most tents - fabric-covered to prevent marking and dew formation.

STORAGE GALORE

Comes with gear sling and larger shoe pockets.

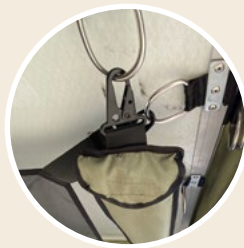

EXTRA AWNING POLES FOR STRENGTH

4 x spring poles

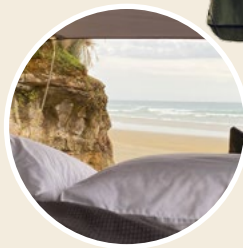

DESIGNED FOR ULTIMATE COMFORT

Our tents come with a high-density foam mattress.

STAINLESS STEEL HARDWARE

Built to last in NZ's incredibly diverse (and beautiful) conditions.

SCENIC WINDOWS

Huge 1.6m x 60cm panoramic windows provide fantastic views and great ventilation.

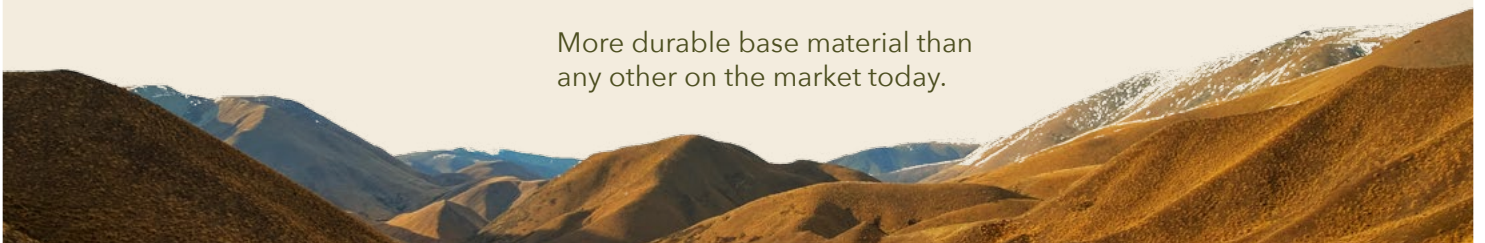

MONSOON POLE FOR EXTRA SUPPORT IN EXTREME WEATHER

CONVENIENT EASY-FOLD LADDER COVER

Keep dry when entering or leaving your tent with our innovative ladder shelter.

INCREDIBLY STRONG & FLEXIBLE BASE

More durable base material than any other on the market today.
