Winner's Meats does not roast hogs for any occasion. We do sell hogs for hog roasting, or we can harvest & prep your hog for a roast. We harvest hogs on Mondays, and all orders for furnished hogs should be placed by noon on the Friday before the Monday harvest date. In order for us to harvest your hog, you must call and schedule a harvest date.

Hog Harvest, Scald, Clean & Prep is \$65.00 (*Hogs over 300# are an additional 20cents per #)

Hog prices for furnished hogs are based on the live weight and market price may change daily, you must call for a price on a furnished hog.

Both our locations offer hogs for roasting, or can prep your hog.
