

26" PRO35™ TOOL CHEST 4 DRAWERS RED

- Four fully extendable drawers with smooth running ball bearing slides and noise reducing EVA mats for an enhanced user experience
- Made from top-quality heavy gauge steel, built for durability
- Treated with a 5-step phosphate-free rust prevention process and a powder coat finish
- Recessed side handles and rubber feet for stability and ease of mobility
- Equipped with a 3-digit combination lock for secure tool storage

The TengTools 26" PRO35™ tool chest TST26R4 in matte red offers tool storage for professionals who prioritize functionality and style. With dimensions of 660 mm wide by 305 mm deep by 380 mm high, it ensures ample storage while maintaining a compact footprint. The distinctive drop front with the TengTools logo covers the drawers when closed. It houses four fully extendable drawers, three at 50 mm height and one at 75 mm height. Each drawer measures 569 mm wide by 275 mm deep and can hold four TengTools TC1 modules. This design suits the TengTools tool control system TT sets and FOAM sets, which use high-density EVA in three layers for enhanced tool protection. Made from heavy gauge steel, the TST26R4 endures daily professional use. Each drawer has smooth-running ball bearing slides for easy access to tools. EVA mats minimize tool movement and noise for maximum protection. The unit's durability is enhanced by a 5-step phosphate-free rust prevention process, preserving functionality and appearance. For easy movement and stability, the tool chest has recessed side handles and rubber feet that protect the surface beneath. A 3-digit combination lock secures the contents.
