

Bring THE MAKING OF AMERICA Seminar to Your Area

“Education... is the true corrective of abuses of constitutional power.”
-Thomas Jefferson

Many citizens sense that something is terribly amiss in America and are seeking to know if there are better solutions. They are reassured to learn that answers are in the Founders' original success formula for freedom. Please consider hosting a Making of America seminar and bring the principles of liberty, peace, and prosperity to your area.

Only \$15 per person (50 person minimum)

You may charge whatever necessary to meet your financial obligations for facilities, food, etc.

The typical Making of America seminar is outlined as follows:

Developing America's Great Success Formula- 8:30am-12:00pm

This is the exciting exploration which Jefferson, Adams, Franklin, Washington and others made in order to rediscover the key to the creation of the first free nation in modern times. We trace their adventure from 1400 B.C. to A.D. 1787.

Lunch Break- 12:00-12:45pm

The Perfect Plan of Liberty- 12:45pm-4:30pm

A refreshing look at the solid political and economic principles from the preamble through the amendments to the Constitution. You learn perhaps for the first time, how nearly every problem in America today can be solved by restoring these successful concepts.

Each participant will receive this 56 page seminar guide.

We have several skilled instructors to meet most scheduling needs.

How to Host a MAKING OF AMERICA Seminar

Things to Consider

Form an **organizing committee** of dedicated people who will plan and commit to bring people to the seminar.

Select a Saturday 2-4 months out when you can assemble at least 50 people.

Identify a venue that meets your projected attendance, financial, and scheduling needs. A sound system may be needed for a group of 50, and is required for 80 or more. Seating at tables works best. Confirm that your venue will allow us to sell books, which helps defray our travel expenses. Set out two tables for book sales and assign 1 or 2 volunteers to oversee.

Schedule the date with our seminar coordinator at 800-388-4512 ext. 3 or jnelson@nccs.net. NCCS has several talented instructors to meet most requests. The assigned instructor for your event may be subject to change.

Market your seminar through face-to-face contact and commitments from like-minded groups and organizations. This provides the highest chance for success. Facebook and other social networking or web sites can also be effective. Flyers and media announcements may attract a few people, but we have found that relying only on these means reduces the odds for a successful seminar.

Establish a simple **pre-registration system** and immediately begin to pre-register. Seminars are most successful with prepaid registration since pay-at-the-door commitments rarely come through. Consider creating an online system using PayPal.

All of our instructors are volunteers so we need to recoup their travel expenses. **NCCS charges \$15 per person with a 50 person minimum.** You may charge attendees what is necessary above the \$15 to meet your financial obligations for facilities, food, etc., as NCCS will cover airfare only. You will need to provide hotel accommodations for 1 or 2 nights for our instructor, who can also stay with a local family to help defray costs. At least 30 days prior to your event send a \$750 deposit to:

NCCS
37777 West Juniper Road
Malta, ID 83342

At the conclusion of your seminar make a final settlement with your instructor of \$15 for each additional person above the 50 person minimum.

The **Seminar schedule** normally begins at 8:30AM and ends at 4:30PM, with a mid-morning and mid-afternoon break at the instructor's discretion, and a 45-minute lunch break at noon. To begin at 8:30AM, encourage attendees to arrive by 8:00AM. You have the discretion to begin with a prayer, pledge of allegiance or other program feature, and someone to introduce the instructor.

You may choose to provide **refreshments** for attendees but at least **water** should be made available. Nearby restaurants may facilitate easy access for attendees to eat lunch; you might consider providing **lunch** for continuity and to save time.

NCCS instructors are flexible and will do all they can to help you have a successful event. Instructors normally fly in on Friday and out on Saturday night or Sunday morning. Please arrange for their transportation to and from the airport. Instructors will make frequent contact with you prior to your event and communicate specific needs.
