TUBELESS LIGHT

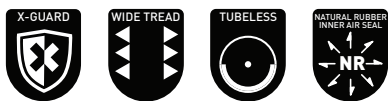

TUBELESS X-GUARD

A TUBELESS GAME-CHANGER

Don't let the name fool you. The **Formula Pro Tubeless Light** is a strong and fast tire. It is IRC's fastest road tubeless tire. A wider cross-sectional shape provides improved rolling resistance. The extra-wide tread gives you improved sidewall protection and dares you to test the cobbles. This tire is designed for high-speed riding.

The **X-Guard** version adds a double-layer bead-to-bead puncture protection.
