

# 12 ADVENTURES FOR 2019

AS WE RIDE OUR WAY INTO 2019 IT'S TIME TO START PLANNING THE YEAR'S ADVENTURES, SO WHAT BETTER WAY TO GET YOU INSPIRED THAN A GRAND SHOWCASE OF SOME OF THE BEST TWO-WHEELED TOURS AND EVENTS ACROSS THE GLOBE

## 4 TOUR THE HIMALAYAS

### What is it?

Take on the world's highest mountain range on this two-week tour through the Himalayas. Riding out of Delhi you'll head up the incredibly beautiful Spiti Valley before tackling some of the most forbidding mountain passes around, such as the 4,590m-high Kunzum La Pass.

### Why should I do it?

If the draw of riding in the Himalayas isn't enough to pull you in, how about the promise of world-class scenery, fascinating culture, some of the most awe-inspiring roads around, and the chance to feel like a true adventurer?

### What level of experience do I need?

Road surfaces vary from good to 'what road?' so you'll need to feel confident in your ability to tackle rough road conditions – though you'll grow into it during the ride.

### How can I do it?

If you fancy tackling the world's highest mountain range from the saddle of a Royal Enfield, British Bike Tours offers a two-week trip from Delhi; the Himalayan Motorcycle Tour – The Ride in the Sky. The trip, which runs between 15–29 June 2019, includes bike hire, train tickets, tour guides, support vehicle, accommodation, and meals for £2,200.
