Changing Billing Information

There is a **THREE STEP PROCESS** to updating your billing information.

Go to **PAYMENT METHODS.**

ADD your new payment method **first.**

You will be able to remove the unwanted billing information at the very end of the process.

A screenshot of a user interface showing the 'Payment Methods' section. At the top left of the section is the text 'Payment Methods'. To the right of this text is a button labeled 'Add new payment method', which is highlighted with a blue rectangular border. Below the header, there are two payment method entries. Each entry consists of a small blue box with the word 'VISA' in white, followed by a grey rectangular field representing a masked card number, and a small downward-pointing chevron icon on the right side of the entry.

Complete all necessary fields and click:

ADD PAYMENT METHOD

Now, go to SHIPPING.

Click CHANGE PAYMENT METHOD and select the card you wish to associate with your active subscription.
