

The Finer Things 1920

Guide to Billing Updates

Updated February 2023

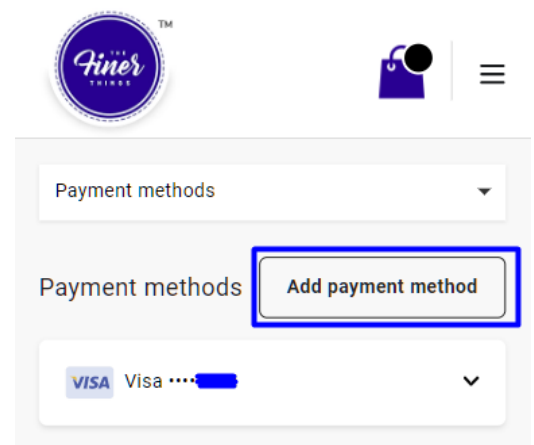

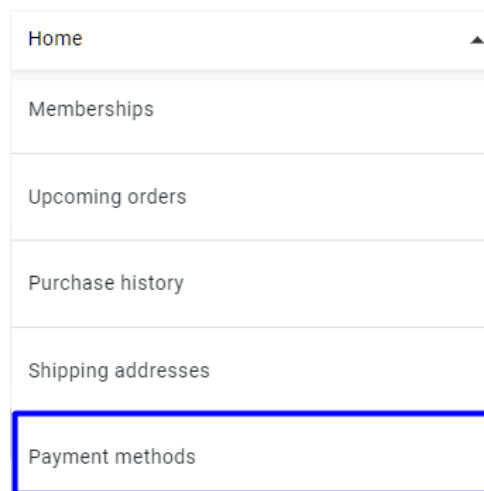

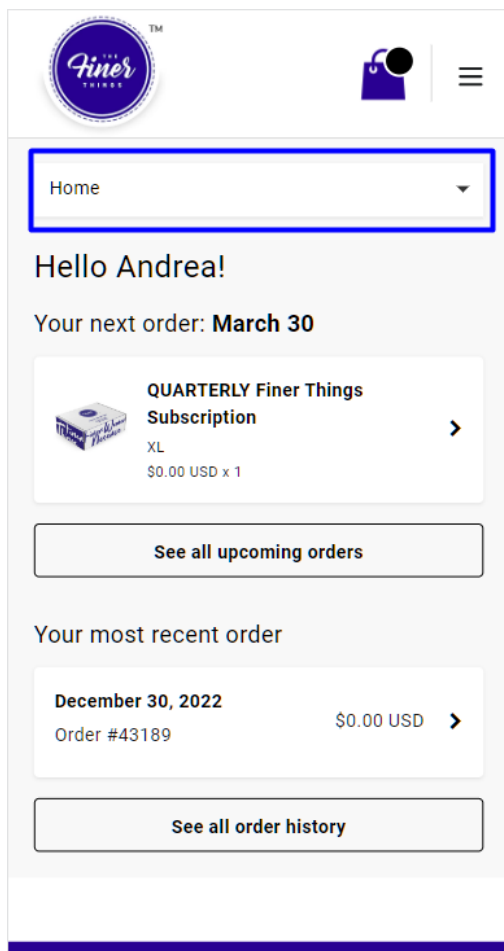

There is a 3-step process to updating your billing information. **This is the mobile view.**

STEP #1:

1. Scroll down to the **PAYMENT METHODS** option in the menu.
2. Click on **PAYMENT METHODS**
3. **Add** Payment Method

You will be able to remove the unwanted billing information at the very end of the process.

Guide to Billing Updates

Updated February 2023

STEP #2:

4. Fill in new payment information as shown below
5. Ensure the address fields correspond with the address on file for the new card
6. The box highlighted in **red** must be checked before moving forward

You will be able to remove the unwanted billing information at the very end of the process.

Add payment method

Payment method

Name on card

Card number

Expiration

Security code

Billing address

First Name

Add payment method

Province/State

Postal code

Company

Phone

Update all of my subscriptions to use this payment method.

Add payment method

STEP #3:

7. To remove the old payment method go back to Payment Method. Locate the old payment method (which is no longer associated with a subscription) and delete.
