BENEFITS

Attach to the inside of your Base Camp or XL Series racks for efficient barbell, utility seat, and utility pin storage. The configurations and adjustments are endless. Limited only by lack of creativity. The Sorinex 2-Bar Storage utilizes our industry First 4-Way Hole Design allowing all bars, brackets, and add-ons to be secured in any direction front to back or side to side. The Sorinex 2-Bar Storage is attached with 1" cold rolled steel bolts for the utmost security. Thus a new proven concept, room for constant growth, change and efficient training time. Forever changed is the "world" available to practitioners of Strength.
