

ADJUSTABLE URETHANE UTILITY PIN

Attach to the front, back, inside or outside of racks for efficient function and storage. The configurations and adjustments are endless. Limited only by lack of creativity. The Sorinex Adjustable Urethane Utility Pin utilizes our industry First 4-Way Hole Design allowing all bars, brackets, and add-ons to be secured in any direction front to back or side to side. The Sorinex Adjustable Urethane Utility Pin is attached with adjustable locking pins for the utmost security. Use for storage, pulling pins, band attachments, bumper tray, etc.
