

ARMOR SERIES URETHANE DUMBBELLS

Sorinex and Intek have partnered together to make the Sorinex Armor Series Urethane Dumbbells, our premier line of dumbbells. Each dumbbell is designed and encased in impact resistant premium urethane and integrated with an optional custom laser engraved multi-color logo inlaid within the urethane shell. Engineered to be durable in the harshest environments. Handles are press-fit and welded to produce a one-piece solid dumbbell. Your investment is protected with a 6 Year Warranty.
