

# DARK HORSE™ RACK

## THE ECONOMICAL OPTION

The Sorinex Dark Horse rack is our most economical rack offering. Intentionally made to fit your budget while still offering the innovation, quality, and attachment options our Sorinex racks are known for. Appropriately named, the Dark Horse rack boasts a compact design with extreme versatility. Add plate storage, custom arch logos or our industry leading rack attachments to make this rack your own. Built for high schools, private training facilities or garage gym owners. Welded rack sides and a partial 4-way hole design will stand the test of time. This rack offers a durable, affordable and safe Sorinex training system.
