

# FIXED STEEL UTILITY PIN

The Sorinex Fixed Steel Utility Pin attaches to the front, back, inside or outside of racks for efficient function and storage. The configurations and adjustments are endless. Limited only by lack of creativity. The Sorinex Fixed Steel Utility Pin utilizes our industry First 4-Way Hole Design allowing all bars, brackets, and add-ons to be secured in any direction front to back or side to side. The Sorinex Fixed Steel Utility Pin is attached with a 1" cold rolled steel bolt and nut for the utmost security. Use for bumper or weight plate storage, pulling pins, band attachments, bumper tray, etc.
