The Sorinex Hitch Pin is a simple and secure locking anchor for all Sorinex Rack Attachments and gear. Simple to use and safer than any other locking attachment anchor on the market. Attach to the front, rear, inside or outside of the Base Camp, XL Series, and Dark Horse Racks for variable function and storage. Limited only by lack of creativity. The Sorinex Hitch Pin utilizes our industry First 4-Way Hole Design allowing all bars, brackets, and add-ons to be secured in any direction front to back or side to side.
