

# JAMMER ARM BAND PEGS

The Sorinex Jammer Arm Band Pegs are a simple and secure modular attachment point for adding band resistance to Jammer Arms and other Sorinex gear. Attach to the Jammer Arms or front, rear, inside or outside of your rack or rig for variable function. Utilize for Jammer Arm resistance, pull-ups, hangs or storage. Allow more athletes than ever to train at one station, increasing the carrying capacity of your facility.
