

# NECK MACHINE

Target and strengthen your neck muscles with the Sorinex Neck Machine. Manufactured in the USA with robust 11 gauge steel, the machine is designed to withstand rigorous use while ensuring durability and minimizing floor space. Featuring our signature 4-way hole system, you can add weight pins for plate storage or band pegs to ramp up the resistance. Double-Stitched Premium Naugahyde provides an added layer of comfort and durability. The machine also includes integrated handles underneath the seat to keep a neutral body position to ensure a secure grip during your most challenging training sessions. Select from a variety of custom colors to match your brand aesthetic.
