

POWERBLOCK®

COMMERCIAL DUMBBELLS

PRO 125 COMMERCIAL

The PowerBlock Pro 125 adjustable dumbbells are at the top of the food chain for professional strength training. With unmatched versatility you can have 16 pairs of dumbbells in 1. That's over 2200 lbs. of weights in 21.5" x 25" of space, so it can easily be paired next to any power rack. The modern aesthetics of the Pro Series will complement all training environments and with optional custom decals anyone can upgrade to add their logos and colors. Having it all while replacing a whole rack of dumbbells in the space of just 1 pair.
