

# ROLLING BUMPER CART

The Sorinex Rolling Bumper Cart is built with lockable heavy-duty wheels, twelve 16" storage pins, and the same industry-leading 3" x 3" 4-way hole design as our Base Camp and XL Series racks and rigs. It can accept most rack and storage attachments. The Rolling Bumper Storage Cart can be customized to specific storage options, unique solutions or branded to your school's colors and logos.
