

ROLLING POWER BLOCK CART

The Sorinex Rolling Power Block Cart is built with lockable, heavy-duty wheels, precision welded steel, and two levels of storage shelves to hold up to four Power Blocks. Easily customize your cart with specific storage solutions or branding unique to your school's colors and logos. The standard version covers Power Blocks up to PR0125 and is designed for the extra handles to be stored on the bottom. The wide version covers Power Blocks up to PR0175 and is designed for the extra handles to be stored on the top between the blocks with the bottom shelf open for more storage space.
