

SANDMINE™ SANDBAG

Run, carry, throw, or load on your sled to maximize the extreme use capabilities of the Sorinex Sandmine™. Created by the Sorinex Tactical Applications Group (T.A.G.) for efficient and durable daily use. The XD™ Dupont™ Kevlar® design with 6 handles/attachment points and 40lb load capacity is ready for your tactical training needs. Reinforced stitching and YKK zippers make this Sandmine™ Sandbag ready for the demand of modern day tactical athletes. Flat “pancake” design for stacking on sleds or storage.
